Board Names 2 Coaches

Weyers Given Grid Post; Chan's Basketball Mentor

HOWARD WEYERS
Takes Over Grid Duties.

FRANK CHAN
Elevated To Head Post.

Football and basketball coaching posts at East Liverpool High School were filled Monday night when the Board of Education approved the appointments of Howard Weyers of Maple Heights to the grid post and Frank Chan, an East Liverpool native, as basketball mentor.

Weyers was named to the grid job after winning seasons at East Palestine and Maple Heights while Chan was elevated from assistant to the head coaching job in basketball, the second straight time an East Liverpool boy has been hired for the post.

THE BOARD approved the appointments unanimously following recommendations by Supt. Paul H. Blair. Each was given the standard one-year teaching contract and will receive \$550 over the salary schedule.

The motion to hire Weyers was made by Samuel W. Brown with the second by Richard Smith while John R. Woomer made the motion for Chan's appointment with Mrs. Nessie R. Dunlop, vice president, offering the second.

Board members had no comment on the appointments.

Blair said he believes Chan turned Maple Heights into a re-

spectable football school after the Cleveland area team had won only three games in four years, succeeds Bob Hedmond, who resigned last month to become an assistant grid coach with the Steubenville Big Reds.

Chan succeeds Jim Harris, a hometown boy, who also resigned last month. Chan, a former Potters basketball star, served as an assistant to Harris for the

After High Court Ruling

Change Looms In Legislatures

WASHINGTON (AP) — Practically every state in the union faced today an explosive change in its lawmaking and politics which should eventually give city voters a more equal voice in their state governments.

The Supreme Court, arguing that "legislatures represent people, not trees or acres," decreed Monday that seats in both houses of every state legislature must be apportioned by population.

The decision held unconstitutional the division of representation in six states—Virginia, Maryland, New York, Delaware, Alabama and Colorado—but foreshadowed a similar holding in as many as 40 other states.

Reaction was swift and noisy—joy from urban leaders and outrage from state's righters and rural-dominated legislatures.

Both Republicans and Democrats, digging into voting and population charts, figured the decision would help them.

All agreed that rural residents who for generations have held a disproportionate share of voting power in most states, would be the losers.

The problem pondered in statehouses today was what to

do. Special sessions of the legislatures may be needed in some cases. Fortunately the court gave time for planning and preparations. It ruled that action on the decision need not be taken before this year's general elections Nov. 3.

But it noted that in Maryland's case it does not have a state election until 1966 and it added that "under no circumstances" should that election be conducted pursuant to the existing or any other unconstitutional plan."

In its decision, the court held unconstitutional the so-called "little federal" systems in which state legislatures are made up like the U.S. Congress with districts represented equally in one house and by population in the other.

This aspect of the ruling was called "utter nonsense" by Dr. William Prendergast, research director for the Republican National Committee.

"There's no sense in having two houses if they represent the same thing," he declared. "I trust they won't find the U.S. Senate unconstitutional."

This was much the same view of Gov. John Connally of Texas, a Democrat, who said: "The

(Turn to LEGISLATURES, P. 2)

Gusty Winds, Heavy Rains Lash District

Lightning And Tree Limbs Cut Power In Several Sections

Damage apparently was scattered in the series of storms that lashed the Tri-State District Monday afternoon as part of a general atmospheric disturbance in Eastern Ohio and elsewhere in the state.

Some parts of Ohio had more severe damage but that in the East Liverpool area was confined to power interruptions from lightning or tree limbs, while a number of unsurfaced streets were gutted by the deluge. Some phone service was hit and broken tree branches littered streets.

The first storm in midafternoon brought gusty winds estimated at 20 to 25 mph. velocity, with showers of short duration. Two or three more storms by nightfall produced much heavier rain and more wind, accompanied by lightning.

Charles Boughner, lockmaster at the Montgomery Dam at Ohio View, said the storms appeared to be localized. He recorded half an inch precipitation, but as much as 1.22 inches fell on the Monongahela and Allegheny Rivers, while the Stratten Super-dam recorded 0.7 inch, and Dam 10 at Steubenville recorded an even inch. Dam 12 at Warwood had only 0.19 inch.

Although the storm caused some damage, there were no major incidents, a spokesman for the Ohio Power Co. said.

Virtually all interruptions of service were less than two hours with troubles being cleared up shortly after midnight.

Most of the principal damage was in the Shadyside-Campground Rd. area and in the Route 170-Fredericktown section, the spokesman said.

Scouting met with Iowa delegates for nearly an hour behind closed doors Monday night. He told reporters afterward, "I think we made substantial progress."

Officer Cites Trucker For 3rd St. Crash

A Pittsburgh trucker was fined Monday afternoon in Municipal Court as the aftermath of an accident at E. 3rd and College Sts. involving a Newell woman's auto.

Paul V. Micelli, 46, drew a fine of \$10 and costs from Judge Samuel M. Chertoff on a charge of driving left of center. It was filed by Patrolman William A. Devon.

Micelli's truck owned by Aero Trucking, Inc., of Pittsburgh and a 1962 sedan driven by Alice Raimond, 408 Washington St., Newell, collided on the curve leading to the Chester bridge at 12:57 p.m.

The Newell woman was headed east at 20 miles an hour and

dirt and debris were washed off hillsides onto pavements in several instances and tree limbs were felled, but there was no

Giant Earthquake Deals Blow To Japanese City

Goldwater Expects 56 Texas Votes

Would Give Him 19 More Than Needed For Nomination

By WALTER R. MEARS
DALLAS, Tex. (AP)—Arizona Sen. Barry Goldwater declared today he intends to lead the Republican ticket—from top to bottom—to victory at the polls next November.

Goldwater said he can do the job, no matter what "the doom shouters" say.

"I intend to lead a united party on a platform of principle—the same platform and the same principle in every part of this nation," the front-running Republican presidential contender said in an address prepared for the Texas Republican Convention.

Pennsylvania Gov. William W. Scranton, who plunged into the race for the GOP nomination Friday, argues a Goldwater ticket would spell defeat for Republicans seeking congressional seats, state and local offices.

Out to round up Texas delegates' votes at the Republican National Convention, Goldwater declared: "Whatever the dopesters and pollsters say—whatever we hear from the doom shouters in both parties—I intend to lead all the candidates to victory, North and South, East and West, in November."

"The Republican party can win the South in 1964," Goldwater said. "The Republican party can win the nation in 1964."

From the courthouse to the Congress, we are going to concede nothing."

Goldwater aides said the senator's congressional supporters, more than 60 strong, will declare at a news conference in Washington Wednesday or Thursday that a ticket topped by the Arizona conservative can best help them win re-election this year.

Scranton carries

GOP Bid To Kansas

DES MOINES, Iowa (AP) — Pennsylvania Gov. William W. Scranton carried his uphill fight for the Republican presidential nomination into Kansas today, cheered by an Iowa welcome he described as "the best in my life."

It remained to be seen, though, how fruitful was his quest for votes among Iowa's 24 GOP national convention delegates. Scranton is out to wrest the nomination from Sen. Barry Goldwater of Arizona.

Scouting met with Iowa delegates for nearly an hour behind closed doors Monday night. He told reporters afterward, "I think we made substantial progress."

John R. Woomer commented, "I'm all for it but I agree with Mrs. Dunlop that we should get the answers to some questions first."

Supt. Paul H. Blair said annexation would change the whole concept of the proposed building program.

McConville pointed out the eastward extension of the present freeway or any industrial development would probably be in the southern section of the city and remove additional homes from the tax duplicate. The only place for the school district to expand is to the north, he said.

"Why hasn't any city administration done something about annexation," Samuel W. Brown asked. He pointed out any expansion of the school district should be a co-operative effort with the city.

McConville's discussion came near the end of the meeting at which the board adopted a resolution of acceptance of a \$990,958 interest-free loan toward construction of a new senior high school and three elementary buildings.

It is the first step toward placing a \$3,334,000 bond issue on the ballot at a special election.

He advised the Massillon board of his intentions at its meeting last Tuesday night and it raised his salary from \$7,500 to \$10,000 a year in efforts to have him remain in Massillon.

'Best Way For Party'

Rockefeller Quits Race; Plans To Back Scranton

WASHINGTON (AP) — Gov. William W. Scranton moved his campaign for the Republican presidential nomination onto firmer ground today with the full support of New York Gov. Nelson A. Rockefeller.

But the Pennsylvania governor, carrying the flag of Republican moderates, plainly had a lot of running to do to catch up with Sen. Barry Goldwater of Arizona.

The expected addition of 56 Texas delegate votes today would give Goldwater 674 publicly committed on the first ballot, 19 more than the 655 needed for the nomination. He expects to get 14 more from Montana this week.

Scranton's task is to whittle away enough of this support to prevent any choice on the first count-down at the mid-July convention in San Francisco. He can accomplish this only if

decided the best way to continue favorite son delegations come over to him or stand pat.

Rockefeller's announcement in New York Monday that he had

Rockefeller Calls Campaign Leaders

NEW YORK (AP) — Gov. Nelson A. Rockefeller called a meeting today of his campaign leaders "from all parts of the country" to confer on his withdrawal from the race for the Republican presidential nomination in favor of Gov. William W. Scranton of Pennsylvania.

In his brief announcement

late Monday, the New York governor said he was not releasing any delegates at that time "because of the necessity for consultation with delegates pledged to me by law or otherwise and for technical reasons."

his fight "for the basic principles of progress and moderation" in the party was to give his full support to Scranton, put a needed foundation under the Pennsylvania governor's crusade.

In the view of some seasoned politicians it would act psychologically to stem any stampede to Goldwater by injecting an element of doubt that he had the nomination in the bag.

It was not immediately clear how many of the 125 votes credited to Rockefeller in an Associated Press survey could be added to the 125 listed for Scranton, nor whether this could be done on the first ballot.

Scranton voiced the belief in a speech to Iowa delegates in Des Moines Monday night that "it is clear by now that this is going to be an open convention."

School Board

Might Annex St. Clair Area

But 'Invitation' To Await Reaction Of Affected Residents

The Board of Education Monday night discussed the possibility of annexation of the section of St. Clair Township in Beaver Local School District to the city district.

However, it took no action on a proposal by Harry D. McConville, president, that it extend an invitation to the residents of the township area to join the city district.

The Post Office official reported three firms submitted bids on the project before Monday's deadline, with the F. & S. Construction Co. of Steubenville apparently low.

THE DEPARTMENT asked for bids on construction of the new Post Office with an initial 10-year lease, and four five-year lease options.

The Steubenville firm's base bid was \$7,785, and F. & S. also bid the same for each of the option periods.

Foster said the job of analyzing the bids, checking whether they conform to legal advertising and bonding features would be started today. The bids will be sent to Robert E. Kershner, chief of the real estate branch in Washington, who is to award the contract.

Foster said an award may be made in two or three weeks if there are "no bugs" in the legal machinery.

UNDER THE department's

Massillon Doctor Chosen

Dr. Merle Singer Named County Health Director

LISBON — Dr. Merle Singer, 55, Massillon health commissioner, has accepted a two-year contract with the Columbiana County Board

of Health to become Columbiana

County health

commissioner

according to Atty. Howard Cole, president.

Dr. Singer

was interviewed

at the board's last meeting

and told Atty. Cole by phone

he would accept the position at

\$13,500 per year.

He advised the Massillon

board of his intentions at its

meeting last Tuesday night and

it raised his salary from \$7,500

to \$10,000 a year in efforts to

have him remain in Massillon.

Dr. Singer

is to begin his duties Aug.

1.

In other business, the board

reviewed plumbing codes with

E. E. Cover, county plumbing

inspector, and will complete the

county's new plumbing code at

the end of the year.

Beaver Local Hires 3 New Instructors

The hiring of three new teachers, acceptance of resignations of three others and setting an application policy for group meetings occupied the Beaver Local Board of Education Monday night.

Hired were Richard Kittredge of Wyoming Ave., Larry Vermillion of LaCroft and Daniel Hudson of Alliance.

Kittredge, a graduate of Tennessee Temple College, will teach English at the Public School. Vermillion, a graduate of Kent State University, will teach ninth grade science and math, and Hudson, Mt. Union graduate, will teach ninth grade English and science.

The resignations of Miss Ruth Ann Mackall, Calcutta teacher; Mrs. Elizabeth Ames of the high school and Mrs. Anita Guire of the Public School were accepted.

Leaves of absence were granted Mrs. Dorothea Smith, Rogers teacher, and Mrs. Virginia Campbell, teacher at West Point.

The board has yet to fill a number of vacancies at the high school, including French, Latin, woodwork shop and mechanical drawing posts.

The board established a policy by which groups seeking to meet at the school are to submit a request on a form two weeks prior to the board meeting.

In an economy move, meetings have been restricted to the Public Schools for Tuesday nights only.

Bids are to be received for a pressure cooker at the Calcutta School cafeteria where the anticipated increased student enrollment will require enlarged food service in the fall.

Fifth grades will be retained at the elementary centers, and ninth grades will be retained at the Public School in the fall in a move by the board to reduce crowding at the high school.

The other elementary centers will be able to handle the increased meal requirements, but a cooker is needed at Calcutta, officials said.

In other action, the board turned down a request from Mr. and Mrs. C. E. Och of Calcutta for permission for their daughter to attend school at East Liverpool.

The Boosters Club was granted permission to sponsor a fair Sept. 22-26 at the high school.

William Smith was absent. Next meeting will be July 6.

Legislatures

(Continued from Page 1)

ruling does violence to at least a measure of the checks and balances we've adhered to in our legislative bodies since the foundation of this country."

Some governors reacted, including Arkansas' Orval E. Faubus, who charged that the court had intruded on what is "clearly a state matter" and said, "This ruling lends an awful lot of credence to the views of those extremists who want to impeach Warren."

Chief Justice Earl Warren wrote the majority opinions in all six cases Monday.

Many governors and legislative leaders took the view that the court's decisions were final and definite and the sooner they were complied with the better.

"I regard this decision as the law of the land and it is up to us to carry out reapportionment in accordance with the guidelines set down by the Supreme Court," said Delaware's Gov. Elbert N. Carvel.

Several other governors, including Gov. Edmund G. Brown of California, said legal conferences would be held to decide what their states had to do and when.

In several states, court cases are pending whose outcome will determine what action must be taken and when. The lower court findings are bound to be influenced by the Supreme Court's opinions.

Wrong Connection, But The Right Party

ELIZABETHTOWN, Ky. — There was silence when J. V. Hartlage answered his telephone.

"Who do you want?" asked Hartlage.

"I don't want anyone. My phone rang and I just picked it up," said the voice at the other end.

"That's what happened here. Who are you?" asked Hartlage.

"I'm Silas Hart in Fort Lauderdale, Fla."

"What! I used to know you when you lived in Elizabethtown," said the astonished Hartlage as the old friends renewed a conversation that stemmed from a mysterious call.

Singer

(Continued from Page 1)

its next two meetings, expecting to put it into effect by 1965.

Mrs. Ruth Kaufman, county health nurse, received a leave of absence for July and August. Mrs. Viola Peterson, former county health nurse, who is presently on a one-year leave of absence, will return for these two months.

The board discussed a action against the Leetonia dump, which is operating without a license and burning the refuse instead of burying it. The operators will be advised by the board to heed regulations or stop dumping immediately.

Harry Stockdale, county sanitarian, reported on the sewage problem in the Carolina and Wood Aves. area just off St. Clair Ave. outside East Liverpool. Douglass Hasbrook, Cuyahoga Falls, state sanitarian, discussed the situation with area residents and said it will be necessary to install sanitary sewers.

County commissioners will be asked to create a sanitary district in this area, which includes about 20 houses, and it is expected that East Liverpool will allow them to hook up with the city sewer system, thus saving them the construction and operating costs of a new system.

Stockdale also discussed a dormant sewer district, off of Route 62 northeast of Salem. It was created Sept. 13, 1954, by county commissioners, but nothing more was ever done. This includes parts of Sections 28-30-31 in Perry Township.

The board authorized a letter be sent to the commissioners to proceed with its completion, since it was established almost 10 years ago.

A report showed the department issued 31 plumbing and 33 sewage permits last month.

Stockdale reported his inspections included 17 food service, 21 sewage, 10 refuse, 17 nuisance, 14 water, two swimming pools and one trailer park.

Cover said he made 52 plumbing inspections, 35 sewage, six water, six nuisances and one refuse.

Mrs. Kauffman gave 139 immunizations, made six doctor office visits and held one consultation.

Bills of \$3,266.91 were ordered paid. Next meeting is July 20 at 8 p.m.

Annexation

(Continued from Page 1)

tion to provide funds for the program estimated to cost \$4,324,358.

Richard Smith and Mrs. Dunlop made the motion to adopt the resolution.

The board also approved a resolution asking the Municipal Planning Commission to assist in the proposed building program.

The next formal step will be adopting a resolution of necessity, the formal legislation placing the proposed bond issue on the ballot and setting the date for the special election.

Board members indicated it probably will be introduced at the meeting July 20. Miss Kathryn Liebschner, clerk-treasurer, Solicitor Joseph W. Cooper and the Cleveland firm of Squires, Sanders & Dempsey, which specialized in handling bond issues of political subdivisions, will prepare the resolution.

By adopting the resolution at the meeting July 20, the special election would be held in September since state law requires the election cannot be held earlier than 40 days nor later than 60 days after the resolution is approved.

Meanwhile, the board will study sites for the proposed high school and the elementary buildings to be built in the East End, North Side and Pleasant Heights areas.

Architect Robert F. Beatty was hired temporarily at the meeting June 1 to prepare plans for the buildings. His appointment is subject to approval of the bond issue.

Goldwater On Plane That Blew Two Tires

DALLAS, Tex. (AP) — A jetliner carrying U.S. Sen. Barry Goldwater, R-Ariz., blew out two of its four tires on landing at Dallas Love Field Monday.

No one was injured aboard the American Airlines 707 jetliner, which taxied off the runway despite the loss of the tires.

The incident delayed Goldwater's arrival at a \$100-a-plate dinner staged in his honor by Texas Republicans.

"That's what happened here. Who are you?" asked Hartlage.

"I'm Silas Hart in Fort Lauderdale, Fla."

"What! I used to know you when you lived in Elizabethtown," said the astonished Hartlage as the old friends renewed a conversation that stemmed from a mysterious call.

Storms Cut Area Power

(Continued from Page 1)

dares said much debris was washed in during the heavy rains.

The storms resulted in a sharp drop in temperature that may continue through Wednesday.

Montgomery Dam reported an 85-degree high at 1 p.m. yesterday, then 72 between 3 and 4 p.m. It recorded 55 at 7 a.m. today and 53 at 9:30. The downtown had a chillier 47 at 6 a.m.

The district is due another cool night with the low range of 45 to 50 expected after a day's high of only 67 to 72. Wednesday will be sunny and continued cool.

Traffic

(Continued from Page 1)

Montgomery Dam reported an 85-degree high at 1 p.m. yesterday, then 72 between 3 and 4 p.m. It recorded 55 at 7 a.m. today and 53 at 9:30. The downtown had a chillier 47 at 6 a.m.

Micelli was traveling west, the officer reported. The trucker claimed the woman hit the truck in the rear and argued the accident could have been avoided.

Mrs. Raimond said she had just made the turn and realized the truck was going to strike her car "but there was no place to go."

Police said the truck was five feet across the center line into the other lane.

Three more mishaps were reported Monday afternoon and night.

An auto drifted from a parking place on May St. at 11:56 p.m. yesterday and hit a parked truck, officers said.

The 1954 sedan of George Butler of R. D. 2 coasted from a parking spot on May St. near John St., hopped over a curb and hit a 1963 model truck owned by City Engineer George S. Bloomgren of Park Way, police reported. It came to a halt against a tree stump.

There was damage to the left side and front of the auto and the right side of the truck.

Butler told police he parked his auto about a half hour prior to the crash, turning the front wheels toward the curb, setting the emergency brake and placing the gear selector in reverse.

A collision on Elizabeth St. at 3:35 p.m. damaged a 1956 model car driven by Rolland Parr, 21, of 2114 Lisbon St. and a 1956 auto driven by Clifford Shenton of Chester R. D. 1.

Parr told police he was halted when his car was hit from behind. Shenton said he was unable to stop in time because of wet pavement.

John Merical of R. D. 3 told police at 8:54 p.m. Monday the front bumper of his 1960 station wagon was damaged by a hit-and-run vehicle while parked on E. 6th St.

Two transformers were interrupted when lightning knocked out fuses, bringing failure of lines to 18 customers along 1st St. hill, and the Newell Bridge power was off for a time.

Elsewhere, a tree fell into a primary line along Washington School Rd., service drops were broken at homes along Louisiana Ave. and 3rd St. in Chester and a tree hit a line along 6th St. Rd., Newell.

Wellsville crews today were rodding out storm sewers. Safety - Service Director Fred Ball

5 Of Hancock Instructors Resign Posts

The resignations of five teachers were received, and nine new instructors hired for the 1964-65 term when the Hancock County Board of Education met Monday night in New Cumberland.

Among those resigning was J. Warren Campbell, music director of junior high schools in Chester - Newell, who plans to move to Florida from East Liverpool.

Enrollment On Rise In Hancock Schools

Enrollment in the Hancock County school system continued to swell in the 1964-65 term, reaching an all-time high of 8,652 pupils in May, ninth month of the 10-month term, Supt. Robert H. Hall reported.

At the same time the year before, enrollment was 8,479, giving the system a gain of 173 pupils in one year. Hancock ranked fifth in West Virginia in school growth in 1962-63.

Mrs. Arla Freshwater, Rosemarie Puskarch and Mrs. Margaret Stiles, all of Weirton, and Miss Sue Johnson of Pughtown also resigned. Mrs. Freshwater is retiring.

The nine hired included two East Liverpool residents, Bonnie Ellen McLaren and Eileen P. George, elementary instructors. Others are Judith Ann Notte Hamill, Diana Kay Lahr, Joann Zanoy, Nancy R. Morris, Pauline Sherinsky and Carl Burdell Carey, all of Weirton, and Sandra J. Bullman of Paden City.

Supt. Robert H. Hall advised the board 13 teachers have received certificates of merit from the State Department of Education for completing 13 weeks of in-service training in modern mathematics for elementary instructors.

The list includes Marion Tribbie, Mary Hodge, Robert Wern, Dorothy Talbot, Elizabeth Thermes, Thelma Daugherty, Rita Roach, Margaret Campbell, Clarence Smith, Verena Gilkey, Olive John, Mary Cramer and Mary Fluharty.

Supt. Hall, Charles McKinney, assistant county superintendent, and the five members of the board will attend an annual conference at Jacksons Mills July 19-22.

Hired as instructional aides to process library books in the summer were Miss Lynne Leeson, Miss Kathie Fagert and Miss Patricia Jezierski.

The board authorized annual audits of financial accounts of each school in the system to comply with state law.

A visit by an Oak Glen High School teacher to the Air Force Academy at Colorado Springs, Colo., Oct. 25-27 was approved upon request of Principal E. Russell Slack.

Use of the athletic field at Wells Junior High in Newell Aug. 8 at 4 p.m. for a pine-wood derby of the Cub Scouts was approved. Ronald Eckleberry made the request.

The Newell Lions Club was authorized use of the east steps of Wells Junior High July 19 from 6 to 8 p.m. for a concert of the Musicians' Local directed by Vincent Maola.

Next meeting is June 23 when the board will open bids on equipment for centralized kitchens.

Now You Know How Early Christians Felt

GREENSBORO, N. C. (AP) - Sixty persons gathered in the chapel of Greensboro's First Baptist Church for prayer meeting prior to the opening of series of revival meetings.

The Rev. Dale Smith, assistant pastor, was conducting the service when the church's minister of recreation, the Rev. James Seaton, rushed in and whispered something into the Rev. Mr. Smith's ear.

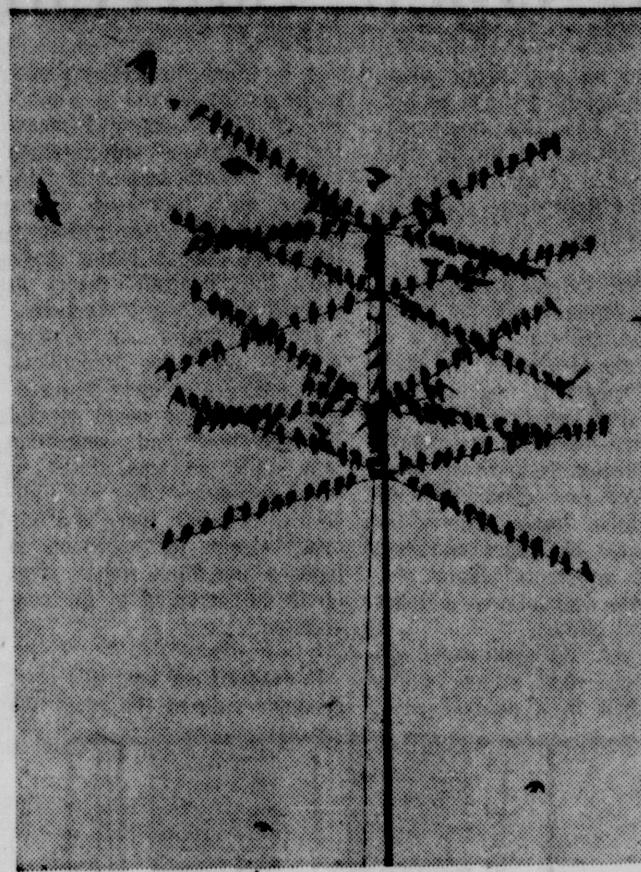

"Please," the Rev. Mr. Smith told the congregation, "everyone move as close to the center of the room as possible; please close all the windows and blinds; put out the lights and several of you men stand guard at the doors."

The gathering obeyed, wondering what type of catastrophe was feared. The Rev. Mr. Smith remained quiet for a couple of minutes, then said:

"Now all of you know just how the early Christians felt when they attempted to worship their God."

SALINEVILLE — Election of officers for the Salineville Republican Club, scheduled Monday night, was postponed due to lack of attendance. The club has discontinued meetings for the summer and will elect in September.

FLIGHT PATTERN. A flock of small birds found this antenna an inviting perch. It created an unusual sight in Cypress Gardens, Fla.

Toledo Offer Seen Low On County Bonds

(Continued from Page 1)

LISBON — Stranahan, Harris & Co., Toledo investment firm, submitted the apparent low bid Monday when county commissioners opened six offers on sale of a \$100,000 bond issue to help finance construction of a nursing facility at the County Home.

The Toledo firm offered a 3 per cent interest rate, plus a premium of \$103. Commissioners have estimated the county's cost in the project will be \$215,000 and the federal government will provide an equal amount.

Other bids on the bond issue were: Fahey, Clark & Co. of Cleveland, 3 per cent and a \$46.40 premium; Ryan, Sutherland Co. of Toledo, 3 1/4 per cent and \$405 premium; McDonald & Co. of Cleveland, 3 1/4 per cent and a \$201 premium; Sweeney, Cartwright & Co. of Columbus, 3 1/4 per cent with a \$280.56 premium, and Hayden, Miller Co. of Cleveland, 3 1/2 per cent and a \$102 premium.

The bonds will be retired with proceeds from a tax levy approved by voters.

Commissioners also accepted three tracts of land totaling over 160 acres in Middleton Township off Route 7 north of Rogers.

The land is comprised of tracts of 111.68 acres, 20 acres and 29 acres from the estates of Theopholes G. Rogers, Rosco M. Rogers and Iris M. Bell. The land was given by Roger M. Kyes of Bloomfield Hills, Mich., a native of East Palestine, as a memorial to his mother's family. He specified that if and when the property is used for rehabilitation purposes, it will be called the Rogers Memorial.

The commissioners awarded contracts to low bidders on machinery for replacement of equipment destroyed in a fire at the cattle barn at the County Home.

The contracts went to: Gause Equipment Co., brazier, \$1,722.74, and elevator, \$525, and Salona Supply of Salem, spreader, \$866.17. Gause bid \$883 on the spreader and Salona bid \$1,754 on the brazier and \$555 on the elevator. The two concerns filed the only bids.

Commissioners approved a travel allowance for Welfare Director Robert Bycroft to go to Youngstown June 24 for a session on mental health projects. An allowance also was approved for Bycroft and Donald Hepp, welfare investigator, to attend a district welfare meeting at Youngstown.

Commissioners are attending a statewide commissioners meeting through Friday at Cedar Point. The regular meeting of Friday has been canceled so the next session will be Monday from 10 a.m. to 4 p.m.

How Can I?

By ANNE ASHLEY

Q. Please suggest a few tips on the successful making of gravy.

A. If your gravy is lumpy, beat it with an eggbeater until the lumps disappear. If your gravy does not brown as you would like it, add a tablespoon of strong coffee to it. And the addition of a tablespoon of cream to brown gravy gives it a delicious flavor, too.

Q. How can I re-stiffen a limp and lifeless tape measure?

A. By placing it between two sheets of waxed paper, then pressing over it lightly with a medium - warm iron.

Q. How can I make my own gravy?

A. By mixing linseed oil and sifted whiting to the proper, useable consistency.

A refining center for nearly all of Japan's domestic petroleum, Niigata is on the Sea of Japan 160 miles northwest of Tokyo and is a chief port for trade with the Soviet Union.

Minutes after Niigata was hit, fire enveloped three 30,000-ton and two 45,000-ton petroleum storage tanks, sending flames and smoke high into the darkening sky.

At the same time, the sea level dropped 13 feet, followed by a tidal wave which flooded lowland areas, washed small boats onto the land and crippled waterfront pumps installed to keep the shore from sinking into the Sea of Japan.

The quake occurred in one of the most quake-prone regions of Japan. In 1948, Fukui, 180 miles southwest of Niigata on the Japan Sea coast, was laid in ruins and 3,895 persons were killed.

You can make a great sauce for avocado served in the shell by adding chili sauce or catchup to French dressing. Spoon a little of the dressing into the cavities in avocado halves.

Chester

(Continued from Page 1)

lease construction program, the site selected on the north side of Carolina Ave. fronting 100 feet on Carolina and extending along parallel lines 135 feet to Rose Alley in the rear, will be assigned to the successful bidder.

The contractor will purchase the property, construct the building according to departmental specifications and lease it to the Post Office Department for a basic period of 10 years with options of renewal for another 20 years.

The Chester Post Office is rated "first class" of four different classes, based on the amount of receipts handled each year. Robert H. Edwards is postmaster.

BACKACHE PAINS

When stabbing pains suddenly start in back, joints or muscles... get DeWitt's Pills for quick, lasting analgesic relief. DeWitt's Pills make pains fade away, and improve natural body functions to help clear up the cause. Don't "bend over in pain." Take a few DeWitt's Pills and get relief.

DeWitt's Pills

Cows Often Suffer 'Hardware Disease'

ITHACA, N.Y. (AP) — Cows often suffer from a stomach ailment known to farmers as "hardware disease." Veterinarians, who know that cows eat fence wire, nails, nuts, bolts, pieces of wood and tin cans, call the disease "traumatic gastritis."

The hardware punctures the

lining of the second of the cow's four stomachs. It can be fatal.

Dr. Donald D. Delhanty, professor at the New York State College of Veterinary Medicine at Cornell University, says the cause of the trouble is lack of "oral discrimination in cattle that leads to their swallowing foreign bodies that would normally be rejected by other animals."

Dr. Delhanty has operated on 600 cows for hardware disease.

He says about 60 per cent of his cases have been caused by lengths of wire and adds that about the only thing he has not found in a cow's stomach is broken glass.

Deaths and Funerals

Former City Teacher Dies

Miss Hazel M. Laughlin, 136 W. 5th St., former school teacher here for many years, died this morning at the Nentwick Nursing Home on Lisbon St. after an illness of two years. She was 76.

She taught 35 years in East Liverpool public schools, including the high school, before her retirement.

Miss Laughlin was born in Augusta April 4, 1888, to the late Dr. Francis Marion Laughlin and Mrs. Lila Patterson Laughlin.

A graduate of East Liverpool High School in 1906, she received a bachelor of arts degree from former Beaver College in Beaver, and a master's degree from the University of Pittsburgh. She was a member of the First Methodist Church. Her only survivors are cousins.

Services will be held Thursday at 2 p. m. at the Martin Funeral Home by the Rev. John L. Clark. Burial will be in Riverview Cemetery.

Friends may call Wednesday night at the funeral home.

C. Paul Kidder

C. Paul Kidder, 68, of Apache Junction, Ariz., died Friday in a hospital in Mexicali, Mexico, where he was visiting friends. He was the son of the late Mr. and Mrs. C. E. Kidder of East Liverpool. Mexicali is across the border from Calexico, Calif.

Mr. Kidder was born Jan. 30, 1896, in East Liverpool and moved to Youngstown in 1913 to engage in police work. He resided in Apache Junction since 1945 when he retired from the police force after becoming crippled with arthritis. He was a member of East Liverpool Masonic Lodge 681.

Besides his widow, the former Gladys Edwards, Mr. Kidder leaves four brothers, Oral Kidder of North Canton, George Kidder of Akron and James Kidder and A. Stanley Kidder of East Liverpool.

Services will be held Wednesday at 1 p. m. at the Shriver-Wilson Funeral Home on North Side, Youngstown, where friends may call. Burial will be in a Youngstown cemetery.

Mrs. A. H. Habenicht

Mrs. Lena G. Habenicht of 5th Ave., LaCroft, died at City Hospital Monday midnight after a lingering illness. She was 57.

Mrs. Habenicht was born at Elizabeth, W. Va., Oct. 11, 1906, to the late Mr. and Mrs. Charles Lightner. She had resided here since 1920. She was employed at the Dixie Diner until about five years ago.

Survivors include her husband, Alvin H. Habenicht at home; a daughter, Mrs. Lucille Trainer of Wellsville; a twin

brother, Hollie Lightner of Cleveland; a half-brother, Delbert Goff of Akron, and one grandchild.

Services will be held Thursday at 2 p. m. at the Dawson Funeral Home by the Rev. Charles Kampmeyer of St. John's Evangelical Lutheran Church. Burial will be in Spring Grove Cemetery.

Friends may call at the funeral home Wednesday.

Frank Fagan

Frank Fagan, formerly of Irondale, died Sunday evening in Mesa, Ariz., where he had resided several years. He was 71.

Born in Empire Sept. 10, 1892, to the late James B. Logan and Phamie McNeal Fagan, he lived in Irondale many years and later in Akron before going to Arizona. He lived in Phoenix, and later Mesa, for the past 10 years.

He was a member of Jenkins Masonic Lodge 471 of Irondale. He leaves his widow, Mrs. Mabel Cline Fagan at home; two sisters, Mrs. Leonard Lanning of Minerva and Mrs. James Hawn of Negley, and two brothers, Charles Fagan of Spokane, Wash., and George Fagan of Irondale.

Graveside services will be conducted Wednesday at 2 p. m. at Spring Hill Cemetery in Wellsville by the Rev. H. Dean McElroy, pastor of the Irondale Methodist Church.

Friends may call at the MacLean Funeral Home in Wellsville after 10 a. m. Wednesday.

Tax Tattlers Given

\$458,688 In Awards

CHICAGO (AP) — Tax tattlers — received \$458,688 in total rewards during 1963 for supplying the Internal Revenue Service with information that led to the recovery of \$12.7 million in taxes, penalties and interest.

Commerce Clearing House says informers whose stories proved up received an average of \$609, a decrease of \$174 from the average paid some 665 informers in the previous year. Claims for rewards were filed by 4,660 informants. But 3,513 of these claims were rejected because the informant could not meet Internal Revenue Service requirements to qualify for the payoff.

Flying Garbage Can Hits Motorist's Car

ORLANDO, Fla. (AP) — Herman Spiker blamed a railroad train when his car was hit by a flying garbage can.

Patrolman R. E. Huber said the huge garbage container owned by the city had been emptied by a truck, then put too close to the railroad tracks.

A train rolled past and a freight car hit the container, sending it flying into Spiker's car.

Huber said his government would give its views on such questions as Cyprus, where Danish troops are serving on the United Nations peace force, and Germany.

"We agree with the general attitude of the Western powers on the German problem," he said.

Haakkerup said his government had no intention of discussing with Khrushchev Denmark's membership in the North Atlantic Treaty Organization.

Thin Crowds Greet K In Copenhagen

COPENHAGEN (AP) — Premier Khrushchev arrived in Copenhagen today at the start of a three-week visit to Scandinavia and received a friendly but low-keyed reception from thin crowds of Danes.

The lack-luster atmosphere was in striking contrast to the boisterous crowds which howled enthusiasm for Khrushchev on his recent visit to Egypt.

The Soviet liner Bashkiria with Khrushchev and his party aboard slid smoothly into its pier. Premier Jens Otto Krag, Foreign Minister Per Haakkerup and other high Danish officials welcomed the visitors.

All ship movements in the harbor—one of the world's busiest—were halted for Khrushchev's arrival. The tightest security precautions in Denmark since World War II went into effect for the Soviet leader's five-day visit.

Four thousand police, many of them imported from the provinces, were on the alert in the city of one million people.

A Danish frigate and a corvette escorted the Bashkiria through Danish territorial waters.

The crowd watching the arrival, restricted to some 2,000, applauded mildly as Mrs. Khrushchev appeared on deck with her husband.

The Soviet premier was also accompanied by his three daughters, Julia, Rada and Elena, and a party of Soviet officials including Foreign Minister Andrei A. Gromyko.

With the Danish government avowedly determined to avoid any discussion of its defense ties with the West, it appeared that trade would be the big item in talks during Khrushchev's visit.

Commerce Clearing House says informers whose stories proved up received an average of \$609, a decrease of \$174 from the average paid some 665 informers in the previous year. Claims for rewards were filed by 4,660 informants. But 3,513 of these claims were rejected because the informant could not meet Internal Revenue Service requirements to qualify for the payoff.

Haakkerup said his government would give its views on such questions as Cyprus, where Danish troops are serving on the United Nations peace force, and Germany.

"We agree with the general attitude of the Western powers on the German problem," he said.

Haakkerup said his government had no intention of discussing with Khrushchev Denmark's membership in the North Atlantic Treaty Organization.

Hitler was in power in Germany from 1933 to 1945.

2 Men Hurt On Roof Jobs

Two men injured while repairing roofs were among seven area residents treated at City Hospital Monday.

Wallace Headley, 55, of 750 Leonard St. suffered injuries to the toes of the left foot while removing a ladder from a roof which he was repairing.

Chester Ice, 26, of 228½ Ravine St. received injuries to the wrists in a fall from a ladder while repairing the roof at the Birch Equipment Co.

Mrs. Olive Brothers of Calcutta Acres was treated for a laceration of the forehead suffered on a car door.

Paul Ewing, 11, son of William Ewing, 1111 Mick Rd., Wellsville, received a fractured right wrist in a fall while playing on a swing.

Mrs. Pat Florio of Midway Trailer Court, Newell, suffered a wrist injury when she slipped and fell in mud.

Paul Grimm, 12, son of Pride Grimm of Weirton R. D. 1, was treated for a cut of the foot received on a piece of glass.

John Long of Wheeling suffered a finger injury on a car door.

Court Orders End One-Day Rail Strikes

KANSAS CITY, Mo. (AP) —

Trains were rolling again today as court orders ended a one-day strike against six midcontinent railroads.

An estimated 5,000 members of the Brotherhood of Railroad Trainmen walked out early Monday, stopping traffic and freight-handling on the lines.

Railroad attorneys quickly obtained temporary restraining orders in U.S. district courts, banning strikes and picketing.

Union officials said the men were returning to work as the orders were served, but one official said the strike would resume when the restraining orders expire.

Injunction hearings are set for late this week and next week.

The stoppage affected Tennessee, Nebraska, Kansas, Missouri, Oklahoma, Arkansas, Texas, Louisiana and Colorado.

Their purpose, they said, was to speed up final action on the bill.

It's True—Cattle Shipped Into Texas

BARDSTOWN, Ky. (AP) —

As supposed has cattle all over the place so there was some surprise in these parts when the Maywood Farms shipped a load of cattle to a Texas ranch.

The shipment included 33 purebred Brangus cattle. Bardstown cattleman Cam Blincoe said the cattle are crossed three times to produce an animal five-eighths Angus and three-eighths Brahman.

Caucus Called By Opponents Of Rights Bill

WASHINGTON (AP) — Senate leaders drove to complete action on amendments to the civil rights bill today, but Southern opponents had control of the situation.

An early morning caucus of the Dixie forces was called by Sen. Richard B. Russell, D-Ga., to consider how many more amendments to call up for a vote.

Sen. Hubert H. Humphrey, D-Minn., floor manager of the bill, told newsmen he saw a very good chance that voting on amendments would be completed by tonight.

He said, however, that this was based just on his "feeling of the pulse of the Senate" rather than on any understanding with Southern foes of the measure.

If the Southerners insist on bringing up a large number of additional amendments, he said the Senate will stay in session late into the night in an effort to dispose of them.

Humphrey said that once action on amendments is completed, he expects two days of general debate before the Senate reaches a vote on passage of the bill.

Debate on the bill and all amendments has been limited to one hour for each senator since the Senate's history-making 71-29 vote last Wednesday to invoke its anti-filibuster cloture rule.

But despite the limit on debate, Southern senators can call up for a vote more than 500 amendments still on file, even if they run out of time to explain or discuss them.

After 14 roll-call votes Monday, in which all amendments offered by opponents of the bill were rejected, the Senate recessed at 5:49 p.m.

Humphrey and Sen. Thomas H. Kuchel, R-Calif., GOP floor manager of the bill, announced Monday they and the 14 bipartisan civil rights team captains had agreed not to call up amendments they have proposed.

Their purpose, they said, was to speed up final action on the bill.

Sir Walter Raleigh's Gallantry Isn't Dead

WICHITA, Kan. (AP) — The gallantry of Sir Walter Raleigh, who spread his coat for a damsel to walk on, isn't dead.

Mrs. Marilyn Hay, employed by a fur coat company, used a \$300 persian lamb coat she was delivering to cover postman Raymond Holmes after he was injured in a traffic accident.

"I'm afraid there's blood on this coat but he was more important," Mrs. Hay said after Holmes, a stranger to her, was en route to a hospital.

Holland has the greatest population density in the world.

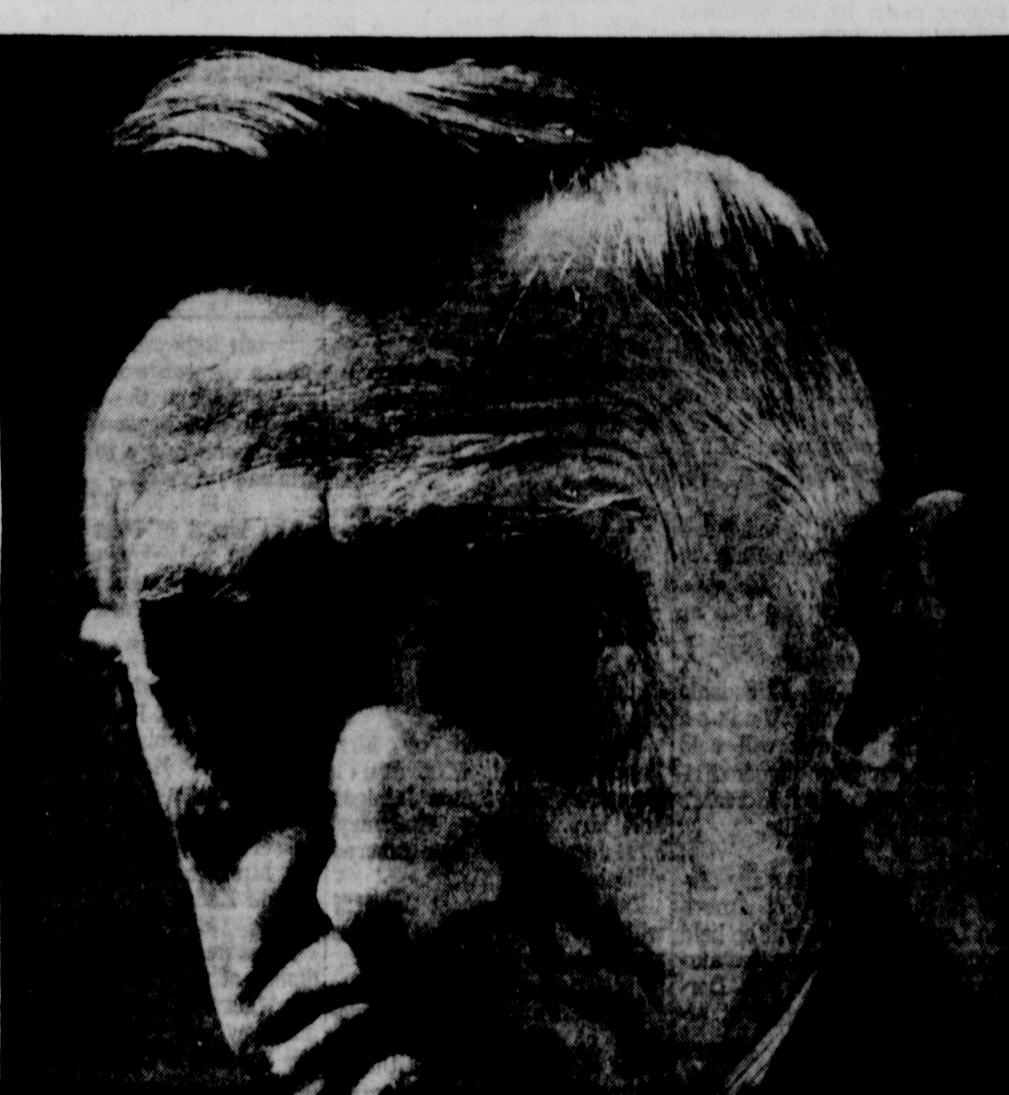

Center Trustees Meet

LISBON — The county road oiling program, a dust-control program for other roads and a bill from volunteer firemen for services in the first half of 1964 were discussed by Center Township trustees at a meeting Monday night in the Farmers Bank Building. Bills of \$1,713.65 were ordered paid. The next meeting will be June 30 at 7 p. m.

About 150 attended the 27th annual reunion of the John H. and Mahala Stewart family Sunday afternoon at Thompson Park.

Everett Barnhart of Pugh town was re-elected president. Other officers named were Gerald Miller of Toronto, vice president; Harry Stewart, of St. Mary's W.Va., second vice president; and Mrs. Betty Williams of East Liverpool, secretary-treasurer.

Prizes were presented Ralph Miller of Toronto, oldest; Sherri Lynn Barton, four-week-old daughter of Bill and Erla Barton of East Liverpool, youngest, and Mae Trast of Tampa, Fla., traveling the farthest. Mrs. Bernice Conkle and Mrs. William Bell also received prizes.

Bill Barton was in charge of games and recreation, which followed the cafeteria style dinner. Mrs. Mildred Willis of East Liverpool and Mrs. Emma Yoakley of Columbiana were chairmen of the dinner and Mrs. Edward Barker of Toledo and Mrs. Bell were co-chairmen of the coffee committee. Morris Barton was in charge of refreshments.

Guests were Mr. and Mrs. George B. Kidd of Pinellas Park, Fla., who are visiting in the vicinity. Other guests were from Ohio, West Virginia and Pennsylvania.

The 1965 reunion will be held at the same place. The date will be announced.

A Flag Day program highlighted a meeting of the JFK Club Friday night at the home of Mrs. Helen McCune of E. Drury Ln., president.

The meeting opened with a prayer poem by the president, entitled, "What the Flag Means" The flag salute was led by Thomas McCune.

Group singing was featured, including "The Star Spangled Banner" and "God Bless America."

Young McCune sang a solo, "America," and Mrs. Grace Treleven presented a poem, "Hats Off, the Flag Goes By."

Mrs. Robert Freed's name was read as a new member. She was unable to attend the meeting.

Prizes were awarded Mrs. Dave Knoblock and Mrs. Treleven.

A family picnic is scheduled June 27 at Hammond Park in Wellsville.

Next regular meeting will be Sept. 11.

The Annie Kell Friendship Class of the Trinity United Presbyterian Church will hold a mother-daughter dinner Friday night at 6 o'clock at Piatt's Tea Room in Wellsville.

The birthday anniversary dinner of the auxiliary of American Legion Post 374 will be held Friday at Meade's Restaurant in Wellsville, with Mrs. Dorothy Galloway in charge of arrangements.

The Wesleyan Class of the First Methodist Church will hold a picnic Friday with Mrs. Albert McLain of Mayberry Ln. Officers will form the committee.

The combined circles of the Women's Association of the Emmanuel Presbyterian Church will meet Friday in the social rooms.

The McGaffic Memorial and Naomi Bible Classes of the Boyce Methodist Church will meet Friday with Mrs. Florence McGaffic of Michigan Ave.

Mrs. Eleanor Alulis of Coolidge Ave. was hostess to the Canasta - kettes Club Friday night.

Prizes went to Mrs. Darelene McCallister, Mrs. Jeannette Lawson and Mrs. Alulis. Mrs. Ruth Sheets was a guest.

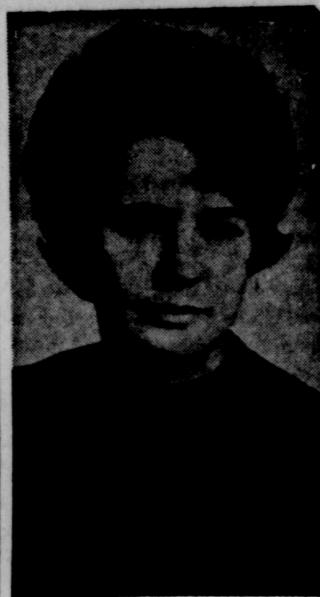

The group will hold a dinner meeting June 26 at 6:30 o'clock at Meade's Restaurant.

The Home Builders Class of the LaCroft Church of the Nazarene will hold a 6 o'clock casserole dinner Saturday at Thompson Park Pavilion No. 2.

Members are to take their own meat, bun and table service. Salad, dessert and coffee will be provided by the committee, which consists of Mrs. June Ward, Mrs. Delores Hendricks and Mrs. June Toland.

The auxiliary of the Calcutta volunteer fire department will meet Wednesday night at 8 o'clock in the fire hall. Mrs. Mary Dunn, president, will preside.

About 15 playmates of Russell (Rusty) Clutter attended a surprise party given him Friday evening by his parents, Mr.

MISS CAROL MCKINNON
She'll Set Nuptial Date.

Carol McKinnon Engaged To Wed Michael Russell

The engagement of Miss Carol Ann McKinnon to a city serviceman has been announced by her parents, Mr. and Mrs. James L. McKinnon, 235 W. 4th St.

Her fiance is Storekeeper 3C Michael Wayne Russell, son of Mr. and Mrs. Paul Russell, 1418 Dresden Ave.

Both are graduates of East Liverpool High School. Russell returned recently from a year's duty in Iceland with the Navy and is at home on a 30-day leave. He will report about June 26 to Jacksonville, Fla., for further duty.

No date has been set for the wedding.

Mothers of the principals wore blue ensembles with white accessories and carried corsages of white carnations.

Robert Johnson of Boring Ln. was best man.

A reception followed at the home of the bridegroom's paternal grandmother, Mrs. Hazel Barnard, of Dayton.

The bridegroom, stationed at Ft. Lewis, Wash., will complete three years service in January. His wife will reside on W. 3rd St.

Mrs. Chamberlain Selected As Head Of Fairfield Class

Mrs. June Chamberlain was elected president of the Friendship Class of the East Fairfield Methodist Church at a meeting Sunday afternoon.

Others elected were Mrs. Betty Stoffer, vice president; Mrs. Kathleen Smith, secretary-treasurer; Mrs. Nancy Groubert, assistant secretary-treasurer; Mrs. Alma Robins, card secretary, and William Crook, class representative.

About 50 attended a joint picnic supper held Sunday by Mr. and Mrs. Dale Hoff with Mr. and Mrs. Omar Webster.

The closing program of the Daily Vacation Bible School at the church will be held Friday night at 7:30. The average attendance has been 147.

The East Fairfield Farm Bureau Harvesters Council met Saturday with Mr. and Mrs. Lester Detwiler. Ten were present. Don Rupert spoke on regional planning.

Twenty-two attended a family gathering Sunday with Mr. and Mrs. Dale Shingleton in honor of the birthday anniversary of David Shingleton, son of Mr. and Mrs. Dale Shingleton of Painesville.

Both are graduates of East Liverpool High School. Russell returned recently from a year's duty in Iceland with the Navy and is at home on a 30-day leave. He will report about June 26 to Jacksonville, Fla., for further duty.

The Girard auxiliary received the traveling prize for obtaining the most new members and the Salem auxiliary was awarded the attendance prize for the most members present.

The Leetonia auxiliary will entertain the next district meeting, July 12 at 2:30 p.m.

Representing the Lewis Kinney chapter of the Daughters of the American Revolution at the annual Flag Day dinner meeting Friday at East Liverpool were Mrs. Richard Andrus, regent; Mrs. Clarence Weitzel, Mrs. Bennett Taylor, Miss Doris Lones, Miss Jean VanFossen, Mrs. Lloyd Hanna, Mrs. Elaine Hurd, Mrs. Howard Crosser, Mrs. Robert A. Williams, Mrs. Helen O'Brien, Mrs. Charles Lewis and Mrs. Robert Laughlin.

Mr. and Mrs. Phillip Springer of R. D. 1 have returned from Columbus, where they attended the graduation of their son, James Springer, at Ohio State University. He received a master's degree in Civil Service administration and has accepted a position with the city of Columbus as a director of the Civil Service.

Guests of Mr. and Mrs. Paul Cross and family of S. Lincoln Ave. Sunday were his sister, Mr. and Mrs. Ward Tenant, of East Springfield and his mother, Mrs. Sanford Cross, of Wadsworth, W. Va., who remained for a visit.

The banquet is slated June 27 in the post home. Mrs. Mae Hupp is chairman.

First nomination of officers was held. Mrs. Jenny LaNeve, president, presided. Mrs. Sadie Nally reported \$107.50 collected from the sale of poppies.

The program featured a series of slides of the World's Fair screened by Mrs. Billie Martin, who visited New York this spring.

A surprise birthday handkerchief shower was given Mrs. Louise Staley. Hostesses were Mrs. Helen McKenna and Mrs. Nancy LaNeve.

Next meeting is July 6 when a second nomination of officers and election will be held.

The Associates Quartet, a male group from Canton, performed and conducted a humorous critique of the women's singing.

Mrs. Ruth Rinehart, parliamentarian of the local chapter, installed the officers.

Guests were from Youngstown, Akron, Sebring and Canton.

Miss Norma Carpenter will be program chairman at a meeting of the Foreign Missionary Society Wednesday night at 7:30 o'clock in the Church of the Nazarene.

The auxiliary of the Lawrenceville Athletic Association will meet Wednesday night at 7:30 o'clock with Mrs. Shirley Young of Johnsonville.

Election of officers will be held at a business and social meeting of the Auxiliary of American Legion Post 121 Wednesday night at 8 o'clock in the post home.

An installation dinner dinner will be held July 18 at the hall. The group will meet the first Wednesday of each month.

Committees are Mrs. Jean Zirillo, chairman, Mrs. Mary Metz, Mrs. Connie Drago, Mrs. Peg D'Alonzo, Mrs. Jean Bonadio and Mrs. Dolly Daddario and Mrs. Theresa Ceneviva, one-year trustee.

Council Gives City Sanction In Easements

Council Monday night enacted ordinances giving the city's sanction to easements to the U. S. Corps of Engineers for low-lying municipally-owned property inundated by the Stratton super dam's higher pool and to a gas company for a new main that will extend across the Ohio River between East Liverpool and Chester.

The so-called "flow easement" granted to the Corps of Engineers covers 26 tracts of ground, many of them short sections of streets which dead-end in the river. The land has been covered since completion of the new dam raised the river's pool eight feet off East Liverpool.

The second easement was granted to the Manufacturers Light & Heat Co. of Pittsburgh for a short stretch of city-owned property near the Broadway wharf. Manufacturers is scheduled to lay a new 12-inch line across the river from Chester to East Liverpool, then link it onto a main on the River Rd.

The legislation allows Mayor Merrill D. Hall and Safety Service Director Robert E. Vodrey to sign papers officially granting the easement to the gas concern. Plans for the new main were explained to Council a few weeks ago by the company's representatives.

The legislation provides the company will relocate or remove the line if it ever interferes with the municipality's use of the land.

In the case of the "flow easements," the legislation says the agreements will be signed by Vodrey and W. O. Schneider, as chairman of the Board of Public Utilities.

In return for the easement, the Corps of Engineers is scheduled to pay the city \$1,000. The amount represents the federal government's final payment of reimbursement to the city for construction of the Keene St. culvert, a project required by the raising of the river's level.

Hearing Continued

LISBON — Hearing for Leroy McIntosh, 20, of Columbiana was continued to next Sunday by Mayor Dean Stockman. McIntosh was cited for crossing the yellow line at an intersection and his hearing had been set for June 14.

SCHOLARSHIP CONTRIBUTIONS. Representatives of the top donors in the Citizens Scholarship Foundation drive presented checks Monday. Left to right are Darrell Serafy of Patterson Industries, \$1,400; Glenn Roberts of Crucible Steel Co., \$1,400; Robert Conroy, campaign chairman, and Dale Kidd of the East Liverpool Jaycees, \$1,000. Forty-five area students will share \$19,900 to be awarded at the annual dinner Wednesday night at 6:30 at the St. Aloysius School.

Club Meets At Hookstown

Mrs. Beatrice Shenton, Mrs. Roy Allison, Mrs. Albert Hughes, Mrs. Gordon Campbell and Mrs. Alvie Wright were winners in games at a meeting of the Birthday Club Monday night with Mrs. Dan Campbell of Hookstown.

Ten attended. The group was hosted by the hostess at the strawberry festival sponsored by the Bethel Methodist Church.

Misses Jeanne Swearingen and Ellen Louise Glenn are spending the week at Deer Head 4-H Camp at Evans City.

Mr. and Mrs. Francis W. Doak Jr. and family have returned from a vacation with Mr. and Mrs. James Doak of Lauderdale, Fla.

Mr. and Mrs. Harry C. Stewart returned Friday from their winter homes at Inverness and Marathon, Fla.

Mrs. Alexander Wilson, Mrs. Charles Shane and Miss Olive Floyd spent the weekend at New Wilmington, Pa., for the synodical session.

Glen Mason is a patient at City Hospital.

Mrs. Oveta Culp Hobby was the first member of the President's Cabinet to bear the title of "Secretary of Health, Education and Welfare."

Six Killed As 2 Barges Hit Bridge

NEW ORLEANS, La. (AP) —

Two barges smashed a gap in the world's longest bridge before dawn today and a Trailways bus plunged over the edge into Lake Pontchartrain, killing six passengers.

Drivers recovered some of the bodies from the bus, submerged in about 15 feet of the brackish water. A Coast Guard helicopter rescued one man and plucked another body from the lake.

The bus driver was one of two survivors. Five bodies were recovered. One body was trapped in the bus wreckage.

The heavy barges, one loaded with gravel and the other with a big dredge, knocked down about 200 feet of the causeway — a low bridge resembling a highway on stilts.

The causeway extends 24 miles from New Orleans north across the lake. Cause of the collision was not immediately determined.

Red Cross Class On Water Safety Opens With 200

Approximately 200 attended the initial session of the free Red Cross water safety program which opened Monday at the municipal pool in Thompson Park, Don E. Ross, director, said.

The three-week session will continue through July 3 with a second three-week session opening July 5, Ross said.

A senior life saving class is being held from 8:30 to 9:30 a. m. each day with Dennis Burke and Larry Stittler instructors. The junior life saving class is supervised by Dave Martin, Joe Maley and Bill Wotring.

Mrs. Bonnie Pierce is the instructor for adult swimming classes.

There also are morning classes for beginning and intermediate swimmers.

Instructors are Sue Crowe, Linda Gilbert, Donald Lyle, Mike Lynn, Bob Marshall, Jill Myler, Greg Pierce, Linda Porter, Jody Rice, Don Stoll, Sue Stone, Jim Tridico, Nancy Chetwynd and Betsy Chetwynd.

Auto Windows Broken By Body Shop Vandals

The window of a 34-year-old Model A, two windows of a 1956 auto and three windows in the body shop were broken by vandals at Martin's Auto Body, 861 State St., over the weekend, police were advised.

Ferrall Martin told officers the window in the right rear door of the 1930 Ford, both front door windows in the 1956 Mercury and three 14-by-20 windows in the body shop were smashed. The vandalism occurred between 6 p. m. Friday and 10 a. m. Monday, he said.

The Wintersville State Highway Patrol said Mrs. Carpenter was headed south when she lost control while rounding a left curve. The vehicle spun around, went off the right side of the highway and struck a pole. Mrs. Carpenter said a wheel came off the car.

The Girl Scout Troop sponsored by the lodge made a \$5 donation to the lodge.

Bill Gamble, noble grand, presided. Bill Johnson and his committee served lunch.

Atty. Edward A. Zagula, chairman, presided and 11 attended. The group agreed to meet on a monthly basis until the November general election. Next meeting is July 20 with the place to be set later.

Cards Continue Tailspin, Drop 5th In Row To Colts

By MURRAY CHASS
Associated Press Sports Writer

The St. Louis Sag apparently is contagious.

Jack Spring and Lou Brock caught it only a few innings after they joined their new Cardinals teammates Monday night.

The Sag also struck Glen Hobbie, another recent acquisition, as the Cardinals dropped a 9-3 decision to Houston for their fifth straight defeat and 17th in the last 23 games.

Spring and Brock, obtained in a six-player deal with the Chi-

cago Cubs earlier in the day, arrived in the third inning of the Houston contest with the Cardinals winning 1-0. They barely had time to try on their new uniforms when they were thrust into action.

Spring was called upon to pitch in the seventh inning after the Colts scored four runs off Hobbie in the sixth for a 4-3 lead. The 31-year-old left-hander proceeded to give up four more runs, three of them unearned, one on a wild pitch.

Brock, an outfielder who fig-

ures prominently in St. Louis plans, batted for Spring in the eighth and struck out.

In his first two starts for the Cardinals, Hobbie allowed two earned runs and eight hits in 16 innings. The Colts, however, belted him solidly.

St. Louis, considered a prime contender for the National League pennant before the season started, began its tailspin May 23. At that time, the Cardinals were in third place, one game out of first.

One four-game and two five-

game losing streaks later, they are in eighth place, seven games from the top and only one-half length ahead of the Colts.

Only three other games were played Monday. San Francisco nipped Cincinnati 6-5 in the other NL game while Chicago blasted Baltimore 9-1 and Washington edged Los Angeles 3-2 in the American. Rain washed out Minnesota at Cleveland.

Walt Bond drove in four runs with two singles, getting one each against Hobbie and Spring.

Hobbie also was the victim of Bob Aspromonte's two-run homer, his fourth home run in a week.

Bob Skinner, acquired from Cincinnati during the weekend, singled home one of the Cardinals' runs.

Jim Hart's single scored Willie McCovey in the ninth inning and ended the Giants' see-saw battle with the Reds. The Giants trailed 3-2 until the eighth when they scored three runs, two on Cap Peterson's pinch triple.

The White Sox, who broke a six-game losing streak, stand

eight percentage points ahead of the Orioles with the Yankees another three points behind in third.

Don Rudolph, a 19-game loser last season, won his first game since being recalled from the minors recently. He needed help from Ron Kline in the ninth after the Angels' Joe Adcock slammed his fourth homer in as many games.

The Senators broke a 1-1 tie in the seventh. Dick Phillips doubled home Jim King and scored on Ed Brinkman's single.

Cleveland Trades Mudcat To Twins; Cubs, Cards Swap

By MIKE RATHETT
Associated Press Sports Writer

The Minnesota Twins, acting quickly just before the clock struck midnight, have tapped veteran right-hander Jim (Mudcat) Grant to play a Cinderella role in the American League pennant chase.

Balked in earlier attempts to bolster their pitching staff, the Twins completed an 11th-hour deal with Cleveland Monday just before the midnight trading deadline, acquiring Grant in exchange for pitcher Lee Stange, a player to be named later and an undisclosed amount of cash.

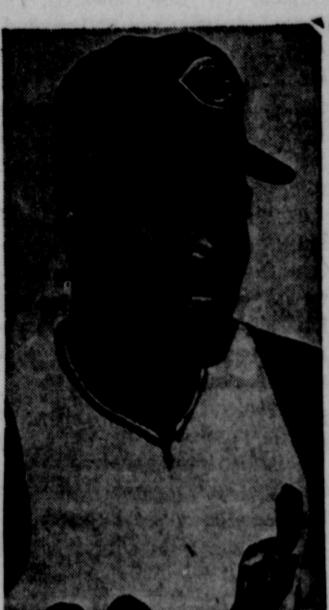

In a major six-player deal between National League clubs, St. Louis sent former 20-game winner Ernie Broglio, reliever Bobby Shantz and outfielder Doug Clemens to the Chicago Cubs for outfielder Lou Brock and pitchers Jack Spring and Paul Toth.

Two minor moves were made — Baltimore selling outfielder Joe Gaines to Houston and Pittsburgh taking pitcher Don Cardwell off the disabled list after sending pitcher Fred Green to the minors.

The Twins have been considered legitimate AL pennant contenders, but it was generally felt they needed more pitching strength. They had pursued Dean Chance of Los Angeles but were unwillingly to break up their power trust by sending Bob Allison to the Angels.

Apparently rebuffed elsewhere also, the Twins moved in their minor league chain, farming out last year's ace reliever, Bill Dailey, and bringing up Bill Whitby, 4-3 at Charlotte.

Grant, 28, had been hit hard this season, starting nine games and completing only one. He had a 3-4 record with a 5.95 earned run average, but is an established major league starter of known quality with a 64-59 lifetime record entering this season. He was 13-14 last year.

JIM GRANT
Switches To Twins' Uniform.

Stange, a promising right-hander in his fourth season in the majors, impressed last year with a 12-5 record and a 2.62 ERA. This season, however, he had a 3-6 mark with a 4.73 ERA.

Grant figures to take his place with Camilo Pascual, Jim Kaat, Jim Roland and Dick Stigman in the Twins' starting rotation.

The key men in the St. Louis-Chicago trade were Broglio and Brock, who fills the Cardinals' need for additional outfielding help.

Broglio, a 28-year-old right-hander, apparently became surplus when the Cardinals acquired pitcher Glen Hobbie from the Cubs in an earlier trade. Broglio was 21-9 in 1960 and had an 18-8 record last year, but was 3-5 this season with a 3.53 ERA.

Brock, a speedy 24-year-old flycatcher who bats left-handed, is in his fourth season in the majors. He hit .258 last season with nine homers and 37 runs batted in. He was hitting at a .257 clip for the Cubs with two homers and 14 runs driven in.

Jaycees Junior Track Meet Awaited By Tri-State Youth

Boys and girls of the Tri-State Area will lace on their running shoes Saturday, June 27, for the fourth annual East Liverpool Jaycees junior track and field meet at 2:30 p. m. at Patterson Field.

The event, in which competition for the sake of physical fitness is emphasized above winning or losing, is sponsored by the Jaycees in cooperation with the East Liverpool Recreation Council.

All boys and girls in the Tri-State Area between 9 and 15 years are eligible for the races and field events. Parental permission is required, however.

Certificates will be awarded each entry, regardless of place of finish. Ribbons will go to the first three finishers in each event.

The first two finishers in each event, other than the relays, will make up the East Liverpool team to face Salem in a dual meet July 10 at Patterson Field. First place winners will make up the East Liverpool team to be entered in the State Jaycee

meet at Mentor July 18. The meet will be free, along with meals.

Frank C. Dawson of the Jaycees is again chairman. Entry blanks are available at the local playgrounds. More than 300 participated last year, and "alumni" of the event include Curt Battistelli, Potter distance runner who set a district record in the half - mile, and Midland's versatile Mike Krivoshia.

Cards Sign Youth For \$80,000 Bonus

DETROIT (AP) — Art (Pinky) Deras, 17, of Hamtramck, Mich., Monday signed a reported \$80,000 baseball bonus contract with the St. Louis Cardinals.

"He has the talent to reach the majors in two years," said Cardinal scout Moe Mozzali, of the Hamtramck High School senior who was Little League Player of the Year when Hamtramck won the Little League World Series title at Williamsport, Pa., in 1959.

The Cardinals reportedly optioned half a dozen major league teams for Deras, who batted .433 this season.

Casein, or milk protein, is used to make glue, sizing and plastics.

Contractor Slated

To Begin Negley Job

LISBON — Work is scheduled to start on the two-tenths mile project on State Route 154 at Negley, the Division 11 office of the State Highway Department said.

A. J. Nardi of Dennison announced at a pre-construction conference in the department's New Philadelphia office that he was to start erecting barricades and moving equipment onto the job site Monday. He said his first work would be removal of several trees followed by installation of large drainage pipes along the south side of the road in the village. Final work will be building driveways and grading and seeding berms.

Present at the meeting, in addition to Nardi, were Wilbur Whan, who will be superintendent for the contractor, Russell Cockopp of the Murphy Gas Co. and State Highway Department officials.

The contract price for the work, which is being done to correct a drainage problem along the state route in the village, is \$22,731, with a completion date set for Sept. 30.

Vehicle To Be Bought For Children's Home

The Board of Trustees of the Hancock County Children's Home voted to advertise for bids for a new, nine-passenger station wagon for the home at a meeting Monday night in the Courthouse.

Bids on the vehicle will be opened July 20. The home presently uses a 1960 model Ford. Omar Harmon, manager of the farm, was authorized to purchase a sprayer. The board also gave permission for the youngsters to attend the Shrine Circus in Wheeling July 10.

William C. Graham, chairman, presided. Next meeting is July 20.

Beechwood, is a patient at City Hospital.

Mrs. Audley Elliott of Irondale R. D. 1, is a patient at City Hospital.

EAST LIVERPOOL REVIEW, EAST LIVERPOOL, OHIO

5 To Retire From School At Salineville

SALINEVILLE — Resignations of five veteran teachers at the Salineville School — with a combined service record of over 230 years — and the resignation of Robert Cole as clerk were accepted by the Southern Local Board of Education Monday night.

Resigning for retirement from teaching are Miss Edna Kirk, Miss Ada Kirk, Miss Nelle Tobin, Miss Marguerite Burns and Mrs. Meryl Knox.

All are residents of Salineville and Miss Burns, Miss Tobin and the Misses Kirk have a total of 211 years in area classrooms.

Cole submitted his resignation as clerk, citing his acceptance of a post elsewhere. He has been cashier at the Citizens Banking Co. for several years.

The board also accepted the resignation of Jack Randolph, principal at Wayne School.

A special meeting will be held Monday night at 7:30 to consider applications and interview applicants for the various posts.

The board is also accepting applications for the single post of assistant coach of football and basketball and mathematics instructor.

Written applications are to be filed with the clerk prior to noon Monday. Written tests for applicants for the clerk post will be given Monday night.

Newell Boy Hurt Cycling

James Booher, 11, son of Mr. and Mrs. Ralph Booher, 57 2nd St., Newell was in "good" condition today in City Hospital with lacerations and bruises of the head and body received when his bicycle crashed into an embankment on a rural road near Newell Monday. The family said the brake apparently caught, jamming the wheel.

Births Reported

Mr. and Mrs. James Boggs, 411 Buckeye Ave., Wellsville, a son, June 15, at City Hospital.

Mr. and Mrs. Frank Pucci of Meadowbrook Estates, Industry, a son, June 15, at City Hospital.

Mr. and Mrs. Jerry Triner of Maine Blvd., a daughter, June 15, at City Hospital.

Mr. and Mrs. Charles Hancock, 1241 Ohio View Dr., Industry, a daughter, June 15, at City Hospital.

Mr. and Mrs. Gary Tolson of Salineville R. D. 1, a daughter, June 16, at Alliance City Hospital.

Mr. and Mrs. James W. Barr of New Cumberland R. D. 2, a daughter, June 15, at Weirton General Hospital.

Mr. and Mrs. James Beaver of Nevada St., Wellsville, a son, June 14, at Ohio Valley Hospital in Steubenville. The mother is the former Miss Sharon Thrasher of Wellsville.

With The Patients

Jack Pollock, 260 E. 3rd St., is convalescing at home following surgery last week at City Hospital.

Mrs. William Shrodes of Chester R. D. 1 is a patient for observation at Weirton General Hospital.

Mrs. Mabel McCartney, 460 Oliver St., is in City Hospital for observation.

Admitted to Salem City Hospital were John Smith of East Liverpool, Harold Pickering, Mrs. Homer McPherson, Myron Dillard, and Orville Baker of Lisbon; Georgette Cunningham and Mrs. Merle Burt of New Waterford, and James Dutcher, Mrs. Dewey Harman and Miss Sadie Jennings of East Palestine.

Released from Salem City Hospital were Mrs. Thomas Shannon of Wellsville, Rudolph Schiederer, Mrs. Roger James, Urban Engel, Roger Laughlin, Earl Joseph, Pamela Peterson, Cradic Thomas, Debbie Browne, Steven Browne, Mrs. Harold Detwiler and Mrs. Ralph Reed of Lisbon; Anthony Pappas, Floyd Ward, Edward Milliken, Deborah Moore and Mrs. John Widowfield of East Palestine and Ralph Goist and Sandra Bacon of New Waterford.

Clinton McLaughlin, Mrs. Harry McNutt and Timothy Faust of East Palestine were released from Salem Central Clinic.

Tompos Renews Attack On State Schools' Group

WEIRTON — State Sen. William Tompos, D-Hancock, renewed his attack Monday on the State Secondary School Activities Commission.

He said the State Tax Department should investigate the financial condition of the organization.

Council Study Set

Annual Parkers' 'License' Sought

Council asked its street committee Monday night to investigate a proposal for sale of an annual license that would permit unlimited use of city parking meter spaces — particularly by small businesses — for the payment of a single flat fee.

The suggestion for the license, probably in the form of a windshield sticker, was made by Councilman Donald Hancock.

He said the need for such an annual permit was suggested to him by several small businessmen, particularly tradesmen who use cars and trucks in service work.

"IN THAT WAY, they could pay an annual fee and they wouldn't have to worry about continually running in and out of the customer's home or business place to feed the meters," Hancock said.

The street committee is comprised of Councilmen Floyd Murray, Hancock and James Cunningham.

Hancock also suggested that the Board of Thompson Park Commissioners might authorize issuance of annual tickets for a flat fee for use of the municipal swimming pool.

Hancock said he has three children who use the pool and "it's a continual headache providing them with money for the admission price and seeing that they get to and from the park."

Hancock said the idea was rejected previously by the park board, but he added: "East Palestine and Midland use this plan at their pools — why can't we?"

THE PROPOSAL was referred to the planning commission, comprised of Councilmen William Davis, Robert W. Sample Jr. and Hancock.

Council gave immediate approval to a proposal from Murray for a change in the hours for a parking ban on Mulberry St. and E. and W. 6th Sts. for semi-monthly street sweeping.

A city ordinance now sets a general ban on parking between 1 and 8 a. m. on certain nights when streets are to be swept. Murray proposed a change for 6th St. and Mulberry St. to make the ban effective from 3:30 to 8 a. m.

He said it was proposed by "business people" — apparently tavern-owners whose late parking patrons have been tagged. His suggestion, after approval, was referred to the ordinance committee to present legislation.

The ordinance committee is comprised of Councilmen Norman Bucher, Donald Smith and Murray.

THE STREET committee was asked to investigate a petition presented by Murray requesting a change in the direction of one-way traffic on Harker Ave. Traffic now moves from Central Ave. to Sylvan St. and the 23 petitioners asked that the flow be altered to move from Sylvan St. to Central Ave. The street committee was asked to report its findings to the ordinance committee.

Smith presented a request for a new street light on the west side of St. Clair Ave. near McKimmon Ave. There are two lights at present in the same general area on the east side of the street, so compliance would mean moving one of the lights to the west side, Smith said. The street committee was asked to investigate.

Davis asked oiling of West End streets "as soon as possible" to lay summer dust. He also proposed that Council recommend a Carnegie Hero's Medal for William Grier, who was credited with saving a boy's life in a case of near-drowning in late May at Lake Samary in Glenmoor. But a member of the audience replied that Grier already has been nominated for the medal, so Davis dropped his suggestion.

MURRAY asked new steps to curb alleged speeding by trucks on a section of Michigan Ave., Klondyke, while en route to and from the former National Drawn Steel Co. plant. He said he talked over his complaint with Chief Americo J. Radeschi, who said police could make a radar speed check if proper warning signs required by state law were installed.

At Murray's suggestion, Council authorized Safety - Service Director Robert E. Vodrey to install the signs. State law says a driver cannot be arrested with radar for a speed violation unless the stretch is posted with a standardized warning sign.

Murray said he has received complaints that several streets have not been oiled to lay sum-

mer dust. However, he said he believes the director is proceeding with the program "as quickly as possible." Murray added he understands any oil left over from the program will be used to treat unsurfaced alleys.

At the suggestion of Bucher, Council ordered a letter sent to the Elks Lodge commanding it for the Flag Day parade and program held Sunday.

"It was one of the best we have had in a long time," Bucher said in referring to the observance.

THE CLAIMS committee was given a bill against the city for \$1,500, filed by Mr. and Mrs. Harry Hull, 154 Pennsylvania Ave. Hull alleged he was injured March 7 when he alighted from an auto and fell through an opening in a guardrail at Pennsylvania Ave. and Elm St. His wife sought compensation for time lost from her job in caring for her husband.

Hancock, as chairman of the claims committee, reported rejection of two claims against the city and an offer in settlement on a third.

Council approved his suggestion to reject these claims:

Ida Leyda, 630 Willis Ave. Ext., Wellsville, \$300 for alleged injuries in a fall May 5 in Crook Alley near E. 6th St.

Muriel Myler, 148 Haywood St., \$70 for injuries allegedly suffered March 31 in a fall on steps between Anderson Blvd. and Haywood St.

HANCOCK said the committee decided to offer \$350 in settlement of a \$550 claim filed by William Simpson, 241 W. 3rd St. Simpson asked the sum for alleged personal injuries and damage to his parked auto Feb. 8 when it was struck by a city-owned truck while at Walnut St. and Bradshaw Ave.

Atty. Donald E. Smith, president of the Colt League, suggested in a letter that the city purchase for \$995 the facilities which the league has installed at a baseball field at the landfill dump in Bloomfield. No action was taken.

SMITH SAID the league's investment in the tract totals over \$5,386. The land recently was transferred from the incinerator department to become part of the city's park system.

Smith said the league has constructed a fence, backstop, dugouts and grandstand. The field has been utilized by the Colt League, the American Legion and the high school and has been available to the general public, he said.

Smith said an investment of \$4,000 — raised through public donations — has been spent on excavation, landscaping and seeding. He said \$300 also was spent for material to build dugouts and \$1,000 was spent on the grandstand, backstop and fencing.

Council received a letter from Frank R. O'Hanlon, clerk of the County Election Board, suggesting early submission of any questions or issues on which the municipality seeks a vote at the November general election. O'Hanlon pointed out contracts for printing ballots will be awarded about Aug. 14. He said ballots for servicemen must be available by Sept. 4. The letter was received and filed.

A LETTER was received from S. M. Trbovich, finance chairman of the Midland July 4th Executive Committee, seeking financial help in staging the annual celebration. It also was received and filed.

Council received a letter from the Let Freedom Ring Committee of Hamilton calling attention to a statewide patriotic observance on July 4. The project involves general display of the flag on Independence Day and sounding of church bells for four minutes, starting at 2 p. m. No action was taken.

The meeting opened with invocation by the Rev. Ronald Reric of Boyce Methodist Church.

Under its abbreviated summer meeting schedule, Council will skip the date of the next regular session, which would have been July 6. The next meeting will be July 20.

'Samaritan' Forfeits

SALINEVILLE — William Reynolds of Akron has forfeited an \$11 bond on a charge of driving left of center. He was cited May 30 while taking a Hammonville child — Karen Sue Brown — to City Hospital after she suffered an eye injury at home which cost the sight of her eye. His car collided with another on Maple Hill.

CONTESTANT. Miss Janet Sue Pruszenski, a sophomore at East Palestine High School and daughter of Mr. and Mrs. Alex Pruszenski of New Waterford R.D. 1, is one of two Ohio finalists in a "Miss 16" contest sponsored by Sixteen Magazine. She won a preliminary contest in postcard voting. Deadline for voting in the contest is June 23. The prize is a \$1,000 scholarship.

THE BOOKS include "This Is America's Story," a history text for seventh and eighth graders published by Houghton Mifflin Co.; "Guide to Modern English" for 10th and 11th graders published by Scott Foresman & Co., and four English books published by D. C. Heath & Co.

They are "English in Action," "Heath Handbook of English" for advanced junior high students, "Junior English in Action" for average seventh through ninth graders and "Living Your English," a workbook-type text for junior high students who need remedial work.

Because of finances, however,

all of the texts will not be placed in the schools by fall, the superintendent said.

THE BOARD accepted the resignations of six teachers, including two vocal music instructors.

LeRoy Pogemiller resigned as vocal music teacher at Westgate Junior High to accept an assistant professorship at the University of Missouri; Miss Eleanor Whitehill, an elementary vocal music instructor, has accepted a post in Saratoga, Fla.; Donald J. Donatelli, a junior high teacher, plans to return to professional football.

The other resignations were

Mrs. Velma Jean Poole, as an elementary teacher; Mrs. Beth Ann Hilbert, hired at the meeting June 1, as a high school teacher, and Dominic Cascio,

who quit as assistant football

coach at East Junior High but will continue as teacher and head basketball coach.

It also approved the appointment of Miss Shirley Skidmore,

an ELHS graduate who taught

last year in Massachusetts, as an elementary instructor.

THE BOARD also approved the appointments of Miss Ann Johnston, Mrs. Roberta Lane, Mrs. Frances Thomas and Clyde Scott as junior high summer school teachers and Mrs. Helen Haynes, Mrs. Miriam Dunn, James Proctor, Harold Ginder, Richard Bryan, Joseph Mayhew, Dawn Buckley, Harold Backer, Wilbert Moore, Frank Wilson and Charles Wilfing as high school summer school instructors. They will receive \$3 per hour.

It granted a high school diploma to Donald Paul McFarland

after receiving a letter from Carl F. Pelini, high school principal, that the youth has completed the requirements.

The Junior Chamber of Commerce was given permission to use Patterson Field on June 27 and July 10 for the junior track and field meet. The only fee will be for custodial expenses.

BLAIR REPORTED a survey of parents in the East End showed the majority were not in favor of a cafeteria program at East Junior High School. The survey was asked several weeks ago by Richard Smith and John R. Woerner, board members.

Blair said 610 questionnaires

were sent to parents of all chil-

dren at Horace Mann, seventh

and eighth graders at East Jun-

ior and sixth graders at Gar-

field and Neville.

Only 392 were returned with

207 indicating they are not in

favor of the cafeteria program

and 185 in favor, he said.

Intruder Obtains \$30 At Downtown Tavern

An intruder obtained \$30 in currency and change, representing the night's receipts, in a burglary at the Shamrock Grill on E. 6th St. in a 25-minute interval between 2:20 and 2:45 this morning, police reported.

The money was contained in a drawer from the cash register and a cash box which had been placed on top of the back bar in full view, officers said.

The rear door was forced open, police said.

Mrs. Alice Garvey, who worked the night shift at the bar, told police she closed the tavern at 2:20. She said she returned at 2:45 with her husband, William, and the two went into the back room to obtain a package they had left there. Noting the rear door was open and a hasp had been bent, they investigated and discovered the entry. The tavern is owned by Jerome J. Morris of Midland Heights, Midland, police said.

The three principal islands of the Virgin group are St. Thomas, St. Croix, and St. John.

6 Teachers Resign**Board Adopts 7 New Textbooks**

The adoption of seven new textbooks was approved Monday night by the Board of Education.

The texts were recommended by Supt. Paul H. Blair, who said faculty committees have been studying the various books for about two years. Once a text has been adopted, it must be five years, he explained.

THE BOOKS include "This Is America's Story," a history text for seventh and eighth graders published by Houghton Mifflin Co.; "Guide to Modern English" for 10th and 11th graders published by Scott Foresman & Co., and four English books published by D. C. Heath & Co.

They are "English in Action," "Heath Handbook of English" for advanced junior high students, "Junior English in Action" for average seventh through ninth graders and "Living Your English," a workbook-type text for junior high students who need remedial work.

Because of finances, however,

all of the texts will not be placed in the schools by fall, the superintendent said.

THE BOARD accepted the resignations of six teachers, including two vocal music instructors.

LeRoy Pogemiller resigned as vocal music teacher at Westgate Junior High to accept an assistant professorship at the University of Missouri; Miss Eleanor Whitehill, an elementary vocal music instructor, has accepted a post in Saratoga, Fla.; Donald J. Donatelli, a junior high teacher, plans to return to professional football.

The other resignations were

Mrs. Velma Jean Poole, as an elementary teacher; Mrs. Beth Ann Hilbert, hired at the meeting June 1, as a high school teacher, and Dominic Cascio,

who quit as assistant football

coach at East Junior High but will continue as teacher and head basketball coach.

It also approved the appointment of Miss Shirley Skidmore,

an ELHS graduate who taught

last year in Massachusetts, as an elementary instructor.

THE BOARD also approved the appointments of Miss Ann Johnston, Mrs. Roberta Lane, Mrs. Frances Thomas and Clyde Scott as junior high summer school teachers and Mrs. Helen Haynes, Mrs. Miriam Dunn, James Proctor, Harold Ginder, Richard Bryan, Joseph Mayhew, Dawn Buckley, Harold Backer, Wilbert Moore, Frank Wilson and Charles Wilfing as high school summer school instructors. They will receive \$3 per hour.

It granted a high school diploma to Donald Paul McFarland

after receiving a letter from Carl F. Pelini, high school principal, that the youth has completed the requirements.

The Junior Chamber of Commerce was given permission to use Patterson Field on June 27 and July 10 for the junior track and field meet. The only fee will be for custodial expenses.

Formal Study Set In Pennsy Plan For Gate

Amid indications that approval will be relatively quick and uncomplicated, Council asked its franchise committee Monday night to make a formal investigation of the Pennsylvania Railroad Co's proposal to install automatic gates and blinker lights to protect motorists at the Mulberry St. crossing.

Solicitor Joseph W. Cooper explained the Pennsy's proposal on the basis of two letters written to him by Atty. Donald Brinkworth of Pittsburgh, assistant general solicitor for the railroad.

Brinkworth said the railroad proposes to install automatic gates and blinker lights similar to those already in service at the Broadway and Walnut St. crossings. His letters did not ask any concessions from the city in return for the installation.

Prior to making the installations at Broadway and Walnut St., the railroad obtained city approval for the closing of several little-used crossings. At one time, it sought to have the city share in the cost, but Council rejected the idea.

Brinkworth said in his letters that plans for the new system have been completed and the Pennsy is ready to submit them to the Ohio Public Utilities Commission. If Council will enact a resolution consenting to the project, it will not be necessary for the PUCO to hold a public hearing, he indicated.

Cooper advised Council he will write to the railroad, explaining its plan is "under consideration." The Mulberry St. crossing now is protected by manually-operated gates.

The franchise committee is comprised of Councilmen James Cunningham, William Davis and Donald Smith.

People In News

NEW YORK (AP) — James B. Donovan, the New York lawyer who negotiated the release of U2 pilot Francis Gary Powers from a Soviet prison, is in a hospital for treatment of a heart condition.

Donovan, 48, entered the hospital last Friday, it was revealed Monday.

Donovan also was the negotiator who arranged the ransoming of prisoners taken by Cuba in the Bay of Pigs invasion.

PARIS (AP) — President Charles de Gaulle of France has been talking like a man running for office, but he won't say whether he'll seek another seven-year term next year.

Today the Gaullist newspaper La Nation said he would.

Last week the 74-year-old De Gaulle toured northern France and hinted repeatedly that he'd seek re-election.

HOLLYWOOD, Calif. (AP) — Michael Wayne, 29, son of actor John Wayne, has developed a blood clot in his right lung that is retarding his recovery from injuries received in an auto accident.

A spokesman for St. Joseph Hospital at nearby Burbank said that Wayne is in fair condition.

NEW DELHI, India (AP) — Prime Minister Lal Bahadur Shastri flew from New Delhi to a village in central India today to visit Vinoba Bhave, an old comrade who is ill.

Bhave, 68, a crusader for land reform, has pleaded with India's landlords for years to give some of their holdings to landless, poverty-stricken peasants.

Student To Serve Wellsville Pulpit

The Rev. James Tatsch of Cleveland, senior at Maylone College at Canton, began his duties as student pastor of the Evangelical United Brethren Church of Wellsville Sunday.

He was assigned from the Northeast Ohio Conference of the denomination and will be commuting, his stay being over the weekend. The Rev. Dale Turner, former student pastor, has left for Indiana to complete his three years in a seminary.

William Morrow was a lay delegate to the conference last week at Vermillion.

Retired Bishop Dies

CARMEL, Calif. (AP) — The Rt. Rev. Arthur B. Kinsolving, 69, retired Episcopal bishop of the diocese of Arizona, died Sunday. Bishop Kinsolving, who was born in Brazil, served with the French army in World War I and also served two years in the U.S. Army. He was ordained in 1924 and became the first diocesan bishop of Arizona in 1959.

Battle Lines Draw Tighter

10 Ohio GOP Delegates Swing To Gov. Scranton

COLUMBUS, Ohio (AP) — Intraparty battle lines were drawing tighter today in the Ohio delegation to the Republican National Convention.

Fifteen of Ohio's 58 delegates report they prefer Sen. Barry M. Goldwater of Arizona for the presidential nomination. Ten have swung to Pennsylvania Gov. William W. Scranton. One delegate is sticking with former vice president Richard M. Nixon.

The rest—nominally pledged to the favorite-son candidacy of Gov. James A. Rhodes, at least for the first ballot—say they are awaiting developments.

Five of the delegates have been unreachable since Scranton made his last-minute declaration of candidacy.

Results of the telephone poll by The Associated Press indicate Goldwater has made no progress with the Ohio delegation in the last 10 days while Scranton has come to his present position from exactly zero.

Bringing Up A Family

By DR. GARRY MYERS

New' Math Relys On Memorizing Basics

The "newer mathematics," in terms of arithmetic, seeks to put emphasis on reasoning. It acquaints the school child with many concepts of numbers and their relationships in much earlier in his school life than does the traditional arithmetic.

But this "newer mathematics" does not ignore the child's need to memorize the basic number combinations. Yet with its strong emphasis on other concepts and processes, it is reasonable to suppose that the learning by heart of the basic combinations may be unduly neglected, especially by teachers who are not skillful at teaching the newer arithmetic.

Perhaps in the long run, memorizing of these basic number combinations will be pushed to a later time in the child's school work than occurs in the traditional ways to learn arithmetic.

Even if your child has not been taught arithmetic by the newer ways, he may, as late as the fifth grade or much later, have mastered all these combinations — you might choose to direct his learning by heart at home.

The petition claims Howard's car had defective brakes. The woman alleges she suffered permanent scars when hurled through the windshield.

The jury includes: Marge Syko, Edna M. Davis, Bernard D. Crow, Helen B. Kyle, and James Sepke, Salem; Dorothy Shattenberg, Anah Patton, Louise Schaffer and Evelyn Copestick, East Liverpool; John Stecker, Washingtonville; Robert Clark, Columbian, and Mabel Blazey, Salineville. Nina Melhorn of Salineville is alternate.

Suppose you agree with the foregoing. Then, on seeing that your child has not mastered the basic combinations mechanically by the time he reaches the third or fourth grade — and there are relatively few of these combinations — you might choose to direct his learning by heart at home.

Even if your child has not been taught arithmetic by the newer ways, he may, as late as the fifth grade or much later, have mastered all these combinations. More than 30 years ago, I discovered that many students in a teachers' training college had not.

Who will deny that they often were handicapped in simple addition, subtraction, multiplication or division? You yourself may not yet have learned by heart such basic combinations and must pause to count or figure them out. You know that this takes time and energy.

BUT IF YOU resolve to teach the basic number combinations to your child at home, you may be inclined to have him try to learn too many of them in an evening. Have him master three or four of them at a sitting and review those he already has down "pat." Otherwise he may get "mixed up" by trying to learn too many at once and he may be burdened with inaccurate memories and confusions.

In my special bulletins on arithmetic, I give the 100 basic addition combinations and the

Street Lights' Charge Fixed For 2nd Year

Council gave unanimous approval Monday night to an ordinance fixing an assessment of \$1.35 per front foot against business district property to help pay the cost of a new fluorescent street lighting system put into service last November.

The charge is down 8 cents per foot from the first year's assessment of \$1.43.

A report from Engineer George S. Bloomgren showed the total cost of the business district street lighting system for the new year will be \$10,565.

A number of delegates, particularly the Goldwater supporters, appear eager to desert the Rhodes ship so that they might be able to help nominate the Arizona senator on the first convention ballot.

Others, who express no particular enthusiasm for Goldwater also express fear Ohio may "miss the boat" if he actually has the convention votes to put him over on the first ballot.

The new system was installed in the heart of the business area after the East Liverpool Merchants Association circulated petitions in which property owners agreed to pay the difference in cost between the former system and the new installation.

The ordinance provides the assessments may be paid in cash to the city within 30 days after July 12. Following the deadline, the unpaid charges will be certified to County Auditor Kenneth Bell for collection on the tax duplicate.

The ordinance requires Clerk Lawrence Applegate to compute the annual charge against each piece of affected property and then place the figures on file with Council. He also is required to publish a newspaper legal notice to advise property owners that the new assessments are due.

The new street lighting system was authorized in an ordinance approved by Council in July 1963. The legislation provides that the assessment shall be computed and collected annually.

Jurors Selected For Civil Action On Auto Injuries

LISBON — A jury was seated Monday in Common Pleas Judge Raymond S. Buzzard's court to hear a civil action in which Mary H. Brown, 324 N. Market St., seeks \$100,000 for alleged personal injuries suffered in a traffic mishap March 24, 1962, at the junction of Routes 45 and 344.

The woman alleges she was a paying passenger in a car driven by James H. Howard, also of 324 N. Market St. She alleges Howard was speeding and was unable to halt in the rear of another car which was making a right turn. She alleges Howard's auto struck the other auto, glanced off and hit a southbound car.

The petition claims Howard's car had defective brakes. The woman alleges she suffered permanent scars when hurled through the windshield.

The jury includes: Marge Syko, Edna M. Davis, Bernard D. Crow, Helen B. Kyle, and James Sepke, Salem; Dorothy Shattenberg, Anah Patton, Louise Schaffer and Evelyn Copestick, East Liverpool; John Stecker, Washingtonville; Robert Clark, Columbian, and Mabel Blazey, Salineville. Nina Melhorn of Salineville is alternate.

Plans were discussed for transporting some patients to MD camp in August, and for an exhibit at the County Fair next meeting will be July 27.

Trainee Unhurt After Parachuting From Jet

EDWARDS AIR FORCE BASE, Calif. (AP) — A space pilot trainee escaped without a scratch after parachuting from his crippled jet fighter near this desert test center.

Navy Lt. Patrick Henry Jr., 28, of Triangle, Va., is one of 11 scheduled to graduate from the Air Force Space Pilot School here next month. He ejected after his F104A went out of control Monday.

Governor Fills Leading Offices At Boys State

ATHENS, Ohio (AP) — Buckeye Boys State was buzzing with activity as newly appointed members of the governor's administration began carrying out their duties.

One of today's highlights at the American Legion's citizenship project was an afternoon address before a joint session of the legislature by Boys State Gov. Gregory McKenzie of Cincinnati.

More than 20 appointments of department heads were announced by the governor Monday, and the other top state officials filled out their staffs.

Bruce Core of Washington Court House was appointed director of education and Mark Real of Mansfield was named superintendent of public instruction. James Sell of Leesville was picked director of banks and banking.

Other appointees included: adjutant general, Luther Oberhauser, Hoigate; finance, George Sigler, Cleveland; highways, Charles Driesbach, Columbus; commerce, David Stark, Strongsville; agriculture, John Everett, New Bloomington; health, Todd Seif, Piketon; welfare, Charles Leitzke, Warren; mental hygiene and correction, Allan Williamson, Youngstown; public utilities; Ernest Jarman, Cincinnati; and Thomas Buck, Garman; employment, Jerry Tabacco, Warren, and youth commission, Marion, Iverson, Columbus.

New Talks Scheduled In Newspaper Strike

COLUMBUS, Ohio (AP) — New talks aimed at ending the eight-day newspaper strike in Columbus will be held Thursday.

Federal mediator George Bell announced Monday that labor and management representatives will meet with him and federal mediator Hayward J. Montoney in a morning session in the federal building.

A three-hour session last Wednesday proved fruitless. Members of the printers' and mailers' union, affiliated with the International Typographical Union, walked out June 8 in a pension dispute with the Dispatch Printing Co.

The evening Dispatch and the morning Scripps-Howard Citizen-Journal, both printed by the Dispatch company, are shut down by the strike.

Heart Attack Fatal

MARYKNOLL, N.Y. (AP) — The Rev. Charles F. McCarthy, 62, director of Catholic relief services in Latin America, died of a heart attack Sunday in Guayaquil, Ecuador, the Maryknoll order announced Monday. Father McCarthy was born in San Francisco.

LEGAL NOTICES

LEGAL ADVERTISEMENT
Bids will be accepted in the Office of the Mayor of the Village of Newellville for the removal and/or clearing of a tract of land containing approximately 37.89 acres in Section 23, Washington Township, by the stripping or augering method.

Said bids shall be on a royalty per ton of earth, piling, and shall provide for monthly payments, and shall further be in accordance with the contract on file in the Office of the Mayor of said Village. Bidders may inspect said contract in the Office of the Mayor.

Bids will be opened at noon on the 13th day of July 1964. All bidders reserves the right to reject all bids.

Coe, Yeagley & Co., Village Solicitors.

E. L. Review, June 2, 9, 16, 23, 30, 1964.

OFF THE RECORD

Today In History
By The Associated Press

Today is Tuesday, June 16, the 168th day of 1964. There are 198 days left in the year.

Today's highlight in history: On this date in 1897, the Alaska gold rush began with news of a rich find of gold on Bonanza Creek.

On this date in 1920, the council of the League of Nations held its first public meeting at St. James Palace in London.

In 1933, President Franklin D. Roosevelt signed the National Industrial Recovery Act.

In 1939, Germany's Reichs-land was placed under the direct control of Adolf Hitler.

In 1940 the French Maginot Line was abandoned by the Nazis in World War II.

In 1943, Japanese Premier Hideki Tojo warned his country-

men to expect Allied air raids on Japan.

Ten years ago—Thailand formally requested the United Nations Security Council to have U.N. observers check for signs that the Communist-led Viet Minh was extending the war in Indochina to Thailand.

Five years ago—The British House of Commons defeated a Laborite motion calling for censure of the government because of the fatal beating of 11 Mau Mau prisoners in Kenya.

One year ago—The Soviets launched the first woman astronaut into space.

Besides the Alaska earthquake, there has been much recent activity elsewhere. Within a year earthquakes and tremors have been recorded in Yugoslavia, Greece, northern Africa, Iran, Afghanistan and Pakistan, Australia, Chile, Colombia, Costa Rica and the Azores.

FOR YOU TO DO: Press a piano key and take your finger off quickly; notice how short the sound is. Now hold the key down—you will get a long, singing sound. Pedal action also helps with loud and soft effects.

Lorrie Burgess of Athol, Mass., wins today's combined prize of Compton's Illustrated Science Dictionary plus \$10 cash, for this question. Mail yours on a postcard to Junior Editors in care of The Review, and you may win the weekly grand prize of Compton's Pictured Encyclopedia.

Junior Editors Quiz on
PIANOS

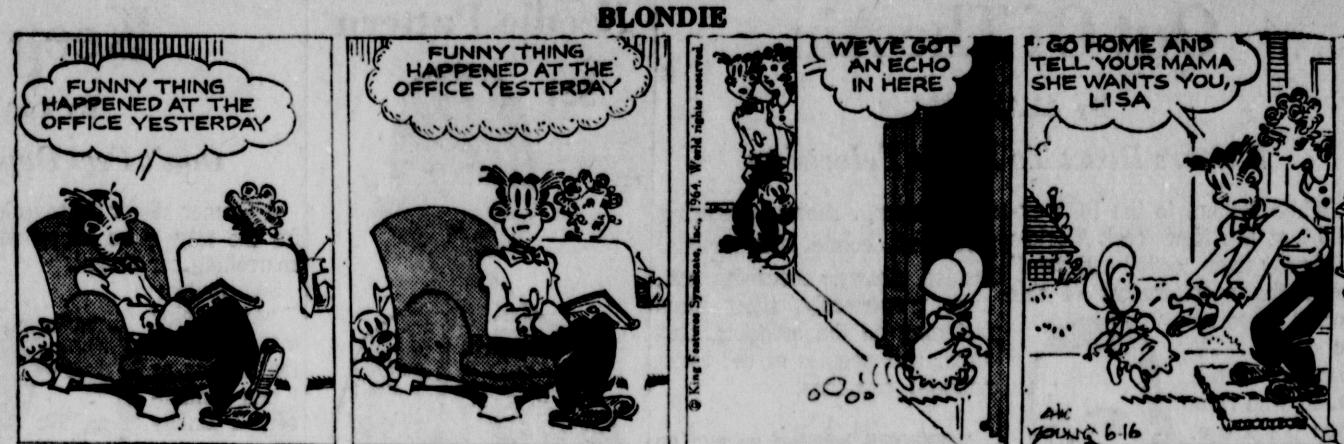

QUESTION: Was the first piano like the piano of today?

ANSWER: The piano's most important ancestors were the harpsichord and clavichord. These were similar to the piano because they both had many strings, each with one tone, which were stretched over a sounding board and played by means of a keyboard. But there is a very important difference between these earlier instruments and the piano. The string on the harpsichord is plucked by a quill mounted on a "jack" which moves up when a key is depressed. The string of the clavichord is sounded in much the same way, but with a metal pin instead of a quill. No matter how you touch the key in these instruments you get about the same tone so they have a monotonous sound.

In 1709, the Italian, Cristofori, worked out something new; a stringed instrument with wooden hammers covered with leather (later felt) which could strike the strings lightly or strongly and so produce many varieties of sound, responding to variations of the player's touch. This was the piano-forte ("piano" meaning soft, "forte" meaning loud), later the piano. Improvements have been made, but Cristofori's basic ideas are still in use, giving an instrument which can express the feeling of each individual player.

FOR YOU TO DO: Press a piano key and take your finger off quickly; notice how short the sound is. Now hold the key down—you will get a long, singing sound. Pedal action also helps with loud and soft effects.

Lorrie Burgess of Athol, Mass., wins today's combined prize of Compton's Illustrated Science Dictionary plus \$10 cash, for this question. Mail yours on a postcard to Junior Editors in care of The Review, and you may win the weekly grand prize of Compton's Pictured Encyclopedia.

Visitors React To Fair's Television

While visitors to the RCA exhibit at the New York World's Fair say their "ohs" and "ahs" over the appointments of this ultra modern color TV studio, the man who runs the place, James Toney, sits back in his cheerful office, nestled in a far corner of the building, and watches his TV screen. "Here comes a strong, silent type," he says. "Watch. He'll just out his jaw when he sees himself on the screen, maybe give us a look at his better profile."

THE MAN in the big hat does just that. With scores of other visitors, the big hat is moving along on the turntable that will take him past a color TV camera and screen.

"You can sit here all day, hypnotized," says Toney. "There are so many reactions. There's the furtive type, the embarrassed type that turns his back on the screen."

"There are the posers, the wavers, the pointers, the gingers. On a windy day, the women's hands fly immediately to their hair and you can lip-read the comment, 'My hair's a mess.'"

SIX SECONDS after the visitor has seen himself in living color, he is taken past a second screen where he is treated to the same picture replayed, on tape. He waves or smiles, but the picture does not wave or smile back.

(Some Philadelphia medical research people, who have been treating mental patients by showing them films of themselves, are most interested in RCA's "See Yourself" feature and soon will be visiting the exhibit to see how normal people react to their own taped images.

In addition to putting on a show for its own visitors, the RCA-ers are sending out, throughout the day and night, continuous closed-circuit programming to about 200 color sets on the fairgrounds — placed largely at exhibits, lounges, waiting rooms and restaurants.

THE STUFF televised, except for five-minute news spots every two hours, is almost entirely concerned with the fair itself, its exhibits, events, visiting celebrities and lost children.

"We want to give visitors to the fair a view of the things they otherwise would miss unless they come here every day for five weeks," says Toney.

There are films of the building of the Unisphere and the lighting of the Pieta. There are sports shows, children's shows,

551

By LAURA WHEELER

Easy pick - up work—elegant completed. Use string alone or with metallic thread.

Fashion news! Crochet lacy jacket of 4½ inch squares, one at a time; join into 3 flat pieces. Pattern 551: sizes 32-34; 36-38; 40-42; 44-46 incl.

Send 35 cents in coins for this pattern to Needleflock, in care of the East Liverpool Review, 45 Pattern, P.O. Box 161, Old Chelsea Station, New York 11, N.Y. Print plainly your name, address, and the pattern number.

4 Demonstration Groups To Meet

LISBON — Plans have been announced for meetings of four home demonstration units. Details were listed by Don Myers, county extension agent in agriculture.

A picnic will be held when the Guilford Lake Homemakers Demonstration Group meets Wednesday at 10 a.m. at the home of Mrs. Wayne Loschinsky of Votaw Landing.

A visit to the Old Stone House, a picnic at Willow Grove Park, and a visit to the County Home will be held when the Fairfield Friendly Neighbors Demonstration Group meets Wednesday at 10:30 a.m. at the Old Stone House with picnic at noon.

A program on flower gardening and care of annuals and perennials will be presented when the Salem and Perry Township Demonstration Group meets at Wick Park in Leetonia at 10:30 a.m. Wednesday. In case of rain, the meeting will be held at the home of Mrs. Paul Casey.

A bus tour to Dover will be held when the Unity Progressive Homemakers Demonstration Group meets Thursday at 8 a.m. at the East Palestine Methodist Church. Members are asked to bring a sack lunch.

Butterflies taste with their legs, and their taste buds are many times more sensitive than those of the human tongue in detecting the sweetness of sugar.

Seeks Rate Increase

COLUMBUS, Ohio (AP)—The

West Ohio Gas Co. has asked the Public Utilities Commission for authority to increase its rates in areas adjacent to Lima, Van Wert, St. Marys, Wapakoneta, Columbus Grove, Elida, Glandorf, Leipsic and West Leipsic, Middle Point and Ottowa. The company asked the hike of seven-tenths of a cent per 100 cubic feet so rates in those areas will conform to rates within the named cities which were raised recently.

THE STUFF televised, except for five-minute news spots every two hours, is almost entirely concerned with the fair itself, its exhibits, events, visiting celebrities and lost children.

"We want to give visitors to the fair a view of the things they otherwise would miss unless they come here every day for five weeks," says Toney.

There are films of the building of the Unisphere and the lighting of the Pieta. There are sports shows, children's shows,

which were raised recently.
